sidewalks in cities, towns and villages, approved April 15, 1875, be amended so as to read as follows, and that two new sections be added thereto to be known as sections 7 and 8.

Section 1. That in addition to the mode now authorized by law, any city or incorporated town or village may by ordinance, provide for the construction of sidewalks therein, on, along or upon any street or streets or part of street therein, and may, by such ordinance provide for the payment of the whole or any part of the cost thereof by special taxation of the lot, lots or parcels of land touching upon the line where any such sidewalk or sidewalks shall be ordered and such special taxation may be either by levying the whole or any part of the cost thereof upon each of the lots or parcels of land touching upon the line of such sidewalk, *pro rata* upon each of said lots or parcels, according to their respective values—the values to be determined by the last preceding assessment thereof for the purpose of State and county taxation; or the whole or any part of the cost thereof may be levied upon such lots or parcels of land in proportion to their frontage upon such sidewalk or sidewalks, or in proportion to their superficial area, as may be provided by ordinance ordering the laying down of such sidewalk; and in case such ordinance shall only require the payment of a part of the cost of such sidewalk to be paid by a special tax as aforesaid, then the residue of such cost shall be paid out of any fund of such city, town or village, raised by general taxation upon the property thereof and not otherwise appropriated. And any such city, town or village may by one and in the same ordinance provide for the construction of sidewalks hereunder on two or more streets, or parts of streets, or on one or both sides of any street or streets: *Provided*, that such sidewalks are so connected, or otherwise related, as to constitute but a single system of improvement.

Said ordinance may require all owners of lots or parcels of land touching the line of said proposed sidewalk to construct a sidewalk in front of their respective lots or parcels of land in accordance with the specifications of said ordinance, within thirty days after the mailing of notice of the passage of such ordinance, addressed to the party who paid the last general taxes on the respective lots or parcels; and in default thereof, said city, village or town may furnish the materials and construct said sidewalk in accordance with said ordinance, or may enter into a contract for the furnishing of said materials and the construction of said sidewalk as hereinafter provided; and the cost of such part thereof as may be fixed in said ordinance may be collected as hereinafter provided: and it shall be

two years, one for four years and one for six years, from the first day of March, 1905, and until their respective successors are appointed and qualified; and they shall constitute the State Civil Service Commission. And on the first day of March, 1907, and at the end of every two years thereafter, the Governor shall, in like manner and by and with the advice and consent of the Senate, appoint one person as the successor of the commissioner whose term shall expire in that year; to serve as such commissioner for six years and until his successor is appointed and qualified. Two commissioners shall constitute a quorum. All appointments to said commission, both original and to fill vacancies, shall be so made that not more than two members shall, at the time of the appointment, be members of the same political party. Said commissioners shall hold no other lucrative office or employment under the United States, the State of Illinois, or any municipal corporation or political division thereof. Each commissioner, before entering upon the duties of his office, shall take the oath prescribed by the Constitution of this State.

§ 2. REMOVAL OF COMMISSIONERS — VACANCY.] The Governor may remove any commissioner for want of moral character, incompetency, neglect of duty or malfeasance in office. The Governor shall, at the same time report, in writing, any such removal to the Senate with his reasons therefor. If the Legislature is not then in session such report shall be filed in the office of the Secretary of State and be transmitted by him to the Senate within ten days after the commencement of the next session. In case of vacancy in the office of commissioner, the unexpired term shall be filled by appointment by the Governor, by and with the advice and consent of the Senate. When the Senate is not in session the Governor may make appointments and fill vacancies in the commissionerships hereby created; but all appointments made when the Senate is not in session shall be subject to be confirmed by the Senate at its next session before becoming permanent.

§ 3. CLASSIFICATION.] Said commissioners shall, within ninety days after their appointment, classify all the offices and places of employment in the several charitable institutions of the State, and in all institutions over which the board of the State Commissioners of Public Charities, now or may hereafter exercise supervising or visitatorial powers. The offices and places so classified by the commission shall constitute the classified civil service of the State, and no appointments to any of such offices or places shall be made except under and according to the rules hereinafter mentioned.

§ 4. RULES.] Said commission shall make rules to carry out the purposes of this act; and for examinations, appointments and removals, in accordance with the provisions, and the commission may from time to time make changes in the original rules.

§ 5. PUBLICATION OF RULES—TIME OF TAKING EFFECT.] All rules made as herein before provided, and all changes therein, shall forthwith be printed for distribution by the said commission; and the commission shall give notice of the place or places where said rules may be obtained by publication in one or more daily newspapers published

in each of the seven largest cities in the State according to the last general census published by the United States, and in each such publication shall be specified the date, not less than ten days subsequent to the date of such publication, when said rules shall go into operation. Copies of all said rules and of all changes therein, duly certified by the secretary of the commission, shall be filed in the office of the Secretary of State, and shall also be sent to the county clerk of each county in the State within ten days after the adoption thereof, and shall, by said county clerks, be filed, preserved, indexed and recorded in well-bound books kept for that purpose; which files and records shall be open to the inspection by the public at all reasonable hours.

§ 6. EXAMINATIONS.] All applicants for offices or places in said classified service, except those mentioned in section 11, shall be subjected to examination, which shall be public, competitive and free to all citizens of the State of Illinois, with limitations specified in the rules of the commission as to residence, age, sex, health, habits and moral character. Such examinations shall be practical in their character and shall relate to those matters which will fairly test the relative capacity of the persons examined to discharge the duties of the position to which they seek to be appointed, and may include tests of physical qualifications and health, and when appropriate, of manual skill. No question in any examination shall relate to political or religious opinions or affiliations. § 7. NOTICE OF EXAMINATIONS.] Notice of the time and place and general scope of every examination shall be given by the commission, by publication, for two weeks preceding such examination, in one or more daily newspapers of general circulation published in each one of the seven largest cities in the State, according to the last general

census published by the United States, and such notice shall also be posted by said commission in a conspicuous place in their office for two weeks before such examination. § 8. REGISTERS.] From the returns or reports of examiners, or from the examinations made by the commission, the commission shall prepare a register for each grade or class of positions in the classified service of the State of the persons who shall attain such minimum mark as may be fixed by the commission for any part of such examination and whose general average standing upon examination for such grade or class is not less than the minimum fixed by the rules of said commission, and who are otherwise eligible; and such persons shall take rank upon the register as candidates in the order of their relative excellence as determined by examination, without reference to priority of time of examination.

§ 9. SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That section sixty-one (61) of an act entitled, "An act to revise the law in relation to counties," approved March 31, 1874, as amended by acts of May 20, 1879, June 14, 1887, and June 26, 1895, be and the same is hereby amended to read as follows:

§ 61. The said commissioners shall, severally, before they enter upon the discharge of their duties, take the oath of office prescribed by the Constitution, and they shall be known as the Board of Commissioners of Cook county, and as such board shall possess the powers, perform the duties and be subject to the rules, regulations and restrictions hereinafter specified, that is to say:

First. Said board of commissioners shall hold regular meetings on the first Monday of December, January, February, March, June and September in each year. It shall be the duty of the president of the board of commissioners to call special meetings of the board whenever in his opinion the same may be necessary; and he shall preside at all of the meetings of said board, and generally perform the duties usually performed by a presiding officer: *Provided*, that in the absence of the president, or of his inability to act, a president *pro tempore* may be elected, who shall during such absence or inability, possess all the powers and perform all the duties by law vested in and required of the president.

Second. The president of the board of commissioners shall have the same privilege of voting as any other commissioner; but he shall not have a casting vote upon any question upon which he has voted as commissioner.

Third. All resolutions or motions whereby any money shall be appropriated or by virtue of which any contract shall be made or any act done which may, directly or indirectly, or in any manner whatever, create any pecuniary liability on the part of said county, shall be submitted to said board of commissioners in writing or reduced to writing before any vote shall be taken thereon, and if adopted by the board, the same shall not take effect until after the same shall have been approved in writing by the president of said board, except as hereinafter provided. It shall be the duty of the clerk of said board to deliver to the president thereof, upon his request, the original (or a copy) of each resolution or motion so passed or adopted by said board as aforesaid within one day after its passage or adoption, and in case the president approves thereof, he shall sign the same and it shall thereupon be in full force and effect. In case the president shall not approve any such resolution or motion, he shall, within five days after the receipt of the same as aforesaid, return it to the clerk of the said board, with his objections thereto in writing. Such veto by the president may extend to any one or more items or appropriations contained in any resolution making an appropriation or to the entire resolution, and in case the veto only extends to a part of such resolution making an appropriation the residue thereof not embraced within the veto shall take effect and be in force from the time of the receipt by said clerk of such veto of such part. Upon the return of any such resolution or motion by the president, with his objections thereto as aforesaid, the vote by which the same was passed shall be reconsidered by the board of commissioners as to so much thereof as may have been vetoed; and if, after such reconsideration, four-fifths of all the members elected to the board shall agree to pass the same by yeas and nays, to be entered on the journal, the same shall take effect, notwithstanding the president may have refused to approve thereof. In case the president shall fail or omit to either sign and approve or return with his objections as aforesaid any such motion or resolution which shall have been passed or adopted by the board within six days after it shall have been so passed or adopted, the same shall take effect without the approval of the president.

Fourth. Said board of commissioners shall have the management of the affairs of said Cook county in the manner provided by law, and may exercise the same powers, perform the same duties, and shall be subject to the same rules, regulations and penalties prescribed by law for the board of supervisors in other counties, except as herein otherwise provided, and shall also be subject to the rules, regulations and restrictions herein provided.

Fifth. The said board of commissioners shall have no power or authority to delegate to any committee or other person or persons the "power to act" when such "power to act" shall involve the letting of any contract or the expenditure of public money exceeding the sum of five hundred dollars (\$500) and any action of said board, or of any committee thereof, or of any other person or persons in violation of this section, shall be null and void. No money shall be appropriated

or ordered paid by said county commissioners beyond the sum of five hundred dollars (\$500) unless such appropriation shall have been authorized by a vote of at least two-thirds of the members elected to the said county board. And no officer of Cook county or other person shall incur any indebtedness on behalf of the county unless first authorized by said board of commissioners.

Sixth. Said board of commissioners shall, within the first quarter of each fiscal year, adopt a resolution, to be termed the annual appropriation bill, in and by which resolution said board shall appropriate such sums of money as may be necessary to defray all necessary expenses and liabilities of said Cook county, to be by said county paid or incurred during and until the time of the adoption of the next annual appropriation bill under this section: *Provided*, that said board shall not expend any money or incur any indebtedness or liability on behalf of said county in excess of the percentage and several amounts now limited by law, and based on the limit prescribed in the Constitution, when applied to the last previous assessment. Said appropriation bill shall specify the several objects and purposes for which such appropriations are made, and the amount appropriated for each object or purpose. If the Legislature shall by law provide, or shall at any time appear to have by law provided, for the publication of the assessment of real or personal property, or both, to be paid for out of the county treasury, then said board of commissioners shall in each year, while such publication is required, make due provision for the cost thereof by sufficient appropriation in such resolution, which said appropriation shall take precedence over all other appropriations contained in such resolution, excepting the provision for principal and interest of county indebtedness, the ordinary, current salaries of county officials and employes, the maintenance of county property and institutions, (including courts and juries), dieting occupants of the jails, prisons, hospitals and industrial schools, and the cost of elections required by law. Such appropriations shall take precedence of any appropriation for contingent fund or building fund; and if the tax actually collected in any such year shall be less than the total amount of the appropriations contained in said resolution, the items of appropriation following in such resolution after such appropriation for publishing assessments, in the order herein directed, shall be first abated, before the appropriation for such publication of tax assessments shall be reduced. The vote of said board of commissioners upon said appropriation bill shall be taken by yeas and nays, and the same shall be entered upon the journal. Such appropriation bill shall not take effect until after it shall have been once published in a newspaper published in Chicago, and said board shall provide for and cause said appropriation bill to be published as aforesaid. After the adoption of such appropriation bill or resolution, the said board of commissioners shall not make any further or other appropriations prior to the adoption or passage of the next succeeding annual appropriation bill, and the said board of commissioners shall have no power, either directly or indirectly, to make any contract or to do any act which

shall add to the county expenditures or liabilities in any year, any thing or sum over and above the amount provided for in the annual appropriation bill for that fiscal year. No contract shall hereafter be made, or expense or liability incurred by the said board of commissioners, or any member or committee thereof, or by any person or persons, for or in its behalf, notwithstanding the expenditure may have been ordered by the said board of commissioners, unless an appropriation therefor shall have been previously made by said board in manner aforesaid: *Provided, however*, that nothing herein contained shall prevent the board of commissioners, by a concurring vote of four-fifths of all the commissioners (said vote to be taken by yeas and nays and entered upon the journal) from making any expenditures or incurring any liability rendered necessary, by any unforeseen casualty by fire, flood or otherwise, happening after the annual appropriation bill shall have been passed or adopted. Nor shall anything herein contained be construed to deprive the board of power to provide for and cause to be paid from the county funds any charge upon said county imposed by law, without the action of the board of commissioners, including fixed salaries of officers required by law to be paid from the county treasury, and to pay jurors' fees and other charges fixed by law.

Seventh. The board of commissioners shall establish and provide for the appointment of a committee on finance and a committee on public service. There shall be a superintendent of public service to be appointed by the president by and with the consent of the board of commissioners, who shall hold his office for one year and until his successor is appointed; he may be suspended or removed by the president; he shall give a sufficient bond for the performance of his duties, and be subject to the oversight and supervision of the committee on public service. It shall be the duty of the superintendent, under authority of the board of commissioners, to purchase, receive and distribute all supplies necessary for the use and service of Cook county and its various institutions, of whatever nature, except those which are by law otherwise expressly provided for, and to keep accurate accounts of and vouchers for the same, which shall be open to the inspection of the president and the committee on public service and to the public; he shall also perform all other duties relative to the public service which may be assigned to him by the board of commissioners, who shall make and maintain regulations for the conduct and government of the department of public service and not inconsistent with this act.

Eighth. All contracts for supplies, material and work for the County of Cook shall be let to the lowest responsible bidder, after due advertisement; but if, in case of any emergency, it is necessary to purchase supplies not exceeding in amount \$500, such purchase may be made by the superintendent in the open market, on authority given to him by the board of commissioners or the committee on public service. All contracts for supplies, material or work for Cook county shall be

approved by the board of commissioners and signed by the president of the board, the superintendent of public service and the comptroller. Supplies shall be issued only on the requisitions of the responsible officers of the county institutions now or hereafter established by law, approved by the committee on public service.

Ninth. All officers and employés of the County of Cook, in the classification hereinafter provided for, except those whose election or appointment is otherwise provided for by law, and except those enumerated in paragraph twentieth of this section, shall be appointed by the president of the board according to the provisions of this section, the salaries or rate of compensation of all officers and employés of said county, when not otherwise provided by law, shall be fixed by the board of commissioners and shall be fixed prior to the adoption of the annual appropriation, and shall not be changed during the year for which the appropriation is made; the board of commissioners shall also determine whether any or what amount of bond any officer or employé shall give.

Such examinations shall be practical in their character and shall relate to those matters which will fairly test the relative capacity of the persons examined to discharge the duties of the positions to which they seek to be appointed, and shall include tests of physical qualifications and health, and when appropriate, of manual skill. No questions in any examination shall relate to political or religious opinion or affiliations. The commission shall control all examinations and may, when an examination is to take place, designate a suitable number of persons, either in or not in the official service of said county, to be examiners; and it shall be the duty of such examiners, and, if in the official service, it shall be a part of their official duty, without extra compensation, to conduct such examination as the commission may direct, and make return or report thereof to said commission, and the commission may at any time substitute any other person, whether or not in such service, in the place of any one selected; and the commission may themselves at any time act as such examiners, and without appointing examiners. For the purpose of this act the words dependent child and neglected child shall mean any male child under the age of seventeen years or any female child under the age of eighteen years who for any reason is destitute, homeless or abandoned; or dependent upon the public for support; or has not the proper parental care or guardianship; or who habitually begs or receives alms; or who is found living in any house of ill-fame or with any vicious or disreputable person; or whose home by reason of neglect, cruelty or depravity, on the part of its parents, guardian or any other person in whose care it may be, is an unfit place for such a child; and any child under the age of ten (10) years who is found begging, peddling or selling any article or singing or playing any musical instrument upon the street or giving any public entertainment or who accompanies or is used in aid of any persons so doing.

The words delinquent child shall include any male child under the age of seventeen years or any female child under the age of eighteen years who violates any law of this State or any city or village ordinance; or who is incorrigible; or who knowingly associates with thieves, vicious or immoral persons; or who, without just cause and without the consent of its parents or custodian, absents itself from its home or place of abode, or who is growing up in idleness or crime; or who knowingly frequents a house of ill-repute; or who knowingly frequents any policy shop or place where any gaming device is operated; or who frequents any saloon or dram shop where intoxicating liquors are sold; or who patronizes or visits any public pool room or bucket shop; or who wanders about the streets in the night time without being on any lawful business or occupation; or who habitually wanders about any railroad yards or tracks or jumps or attempts to jump onto any moving train; or enters any car or engine without lawful authority; or who habitually uses vile, obscene, vulgar, profane or indecent language; or who is guilty of immoral conduct in any public place or about any school house. Any child committing any of the acts herein mentioned shall be deemed a delinquent child and shall be proceeded against as such in the manner hereinafter provided. A disposition of any child under this act or any evidence given in such cause, shall not in any civil, criminal or other cause or proceeding whatever in any court be lawful or proper evidence against such child for any purpose whatever, except in subsequent cases against the same child under this act. The word "child" or "children" may be held to mean one or more children, and the word parent or parents may be held to mean one or both parents, when consistent with the intent of this act. The word "association" shall include any corporation which includes in its purposes the care or disposition of children coming within the meaning of this act.

§ 4. PETITION TO THE COURT.] Any reputable person being a resident of the county, having knowledge of a child in his county who appears to be either neglected, dependent or delinquent, may file with the clerk of a court having jurisdiction of the matter, a petition in

writing, setting forth the facts verified by affidavit. The petition shall set forth the name and residence of each parent, if known, and if both are dead or the residents [residence] unknown, then the name and residence of the legal guardian, if known, or if not known, then the name and residence of some near relative if there be one and his residence known. It shall be sufficient that the affidavit is upon information and belief.

§ 5. SUMMONS.] Upon the filing of the petition, a summon [summons] shall issue requiring the person having custody or control of the child or with whom the child may be, to appear with the child at a place and time stated in the summons, which time and place shall not be less than twenty-four hours after service. The parents of the child, if living and their residence is known to the petitioner, or its legal guardian, if one there be, and his residence is known to the petitioner, or, if there is neither parent nor guardian, or if his or her residence be not so known, then some near relative, if his residence be known to the petitioner, shall be notified of the proceedings, and in any case the judge may appoint some suitable person to act in behalf of the child. Summons and notice may be served by the sheriff or by any duly appointed probation officer, either by reading the same to the person or persons to be served or by delivering a copy thereof to such person or persons or by leaving a copy thereof at his usual place of abode, if stated in the petition or known, with some person of his family of the age of ten years or upwards and informing such person of the contents thereof. The return of such summons and notice with endorsement of service by the sheriff or probation officer in accordance herewith shall be sufficient proof thereof. If the person summoned as herein provided shall fail without reasonable cause to appear and abide the order of the court or bring the child he may be proceeded against as in case of contempt of court. In case the summons cannot be served or the party fails to obey the same, and in any case when it shall be made to appear to the court that such summons will be ineffectual a warrant may issue on the order of the court either against the parent or guardian or the person having the custody of the child or with whom the child may be or against the child itself. On return of the summons or other process or on the appearance of the child with or without summons or other process in person before the court and on the return of the service of notice if there be any person to be notified, or the personal appearance or written consent to the proceedings of the person or persons, if any, to be notified, or as soon thereafter as may be, the court shall proceed to hear and dispose of the case in a summary manner. Pending the final disposition of the case the court may order the child to be retained in the possession of the person having charge of the same or any other person, or to be kept in some suitable place provided by the city or county authorities.

§ 7. When any male child under the age of seventeen years or any female child under the age of eighteen years shall be found to be dependent or neglected within the meaning of this act the court may make an order committing the child to the care of some suitable State

institution or to the care of some reputable citizen of good moral character, or to the care of some training school or industrial school, as provided by law, or to the care of some association willing to receive it, embracing in its objects the purpose of caring for or obtaining homes for neglected or dependent children, which association shall have been accredited as hereinafter provided. The court may when the health or condition of the child require it, cause the child to be placed in a public hospital or institution for treatment or special care or in a private hospital or institution which will receive it for like purpose without charge.

§ 9. DISPOSITION OF DELINQUENT CHILDREN.] In the case of a delinquent child the court may continue the hearing from time to time, and may commit the child to the care or custody of a probation officer, or any other person, or may allow said child to remain in its own home, subject to the visitation of the probation officer, such child to report to the probation officer as often as may be required; or the court may cause the child to be placed in a suitable family home, subject to the friendly supervision of a probation officer and the further order of the court; or it may authorize the child to be boarded out in some suitable family home, in case provision is made by voluntary contribution or otherwise for the payment of the board of such child until a suitable provision may be made for the child in a home without such payment; or the court may commit such child, if a boy, to a training school for boys, or if a girl to an industrial school for girls, or the court may commit the child to any institution in the county incorporated under the laws of this State that may care for delinquent children or that may be provided by a city or county suitable for the care of such children or to any State institution which may be established for the care of delinquent boys, or, if a girl over the age of ten years, to the State Home for Female Juvenile Offenders, or the court may commit the child to the care and custody of some association that will receive it, embracing in its objects the care of neglected or dependent children and that has been duly accredited as hereinafter provided. In no case shall a child be committed to an institution beyond the age of twenty-one years. A child committed to such an institution shall be subject to the control of the board of managers thereof and the said board shall have power to parole such child on such conditions as it may prescribe. Every child who shall have been adjudged delinquent whether allowed to remain at home or placed in a home or committed to an institution shall continue to be a ward of this court until such child shall have been discharged as such ward by order of court or shall have reached the age of twenty-one years, and such court may during the period of wardship cause such child to be returned to the court for further or other proceedings, including parole or release from an institution: *Provided, however,* that notice of all applications to the court for such parole or release shall be given to the superintendent of such institution at least 10 days before the time set for the hearing thereof, or the consent in writing of such superin-

tendent to such parole or release shall be filed. The court may, however, in its discretion cause such child to be proceeded against in accordance with the laws that may be in force governing the commission of crime.

§ 10. TRANSFER FROM JUSTICE AND POLICE MAGISTRATES.] When in any county where a court is held as provided in section 3 of this act, a male child under the age of seventeen years or a female child under the age of eighteen years is arrested with or without warrant such child may, instead of being taken before a justice of the peace or police magistrate, be taken directly before such court; or if the child is taken before a justice of the peace or police magistrate, it shall be the duty of such justice of the peace or police magistrate to transfer the case to such court, and the officer having the child in charge to take the child before such court, and, in any case the court may proceed to hear and dispose of the case in the same manner as if the child had been brought before the court upon petition as herein provided. In any case, the court shall require notice to be given and investigation to be made as in other cases under this act, and may adjourn the hearing from time to time for that purpose.

§ 20. Nothing in this act shall be construed to repeal any portion of the act to aid industrial schools for girls, the act to provide for an aid training school for boys, the act to establish the Illinois State Reformatory, or the act to provide for a State Home for Juvenile Female Offenders, and in all commitments to said institutions, the acts in reference to said institutions may govern the same, except that in commitments to the State Home for Juvenile Female Offenders at Geneva, Illinois, either this act or the acts in reference to said institution shall govern the same and in all proceedings and papers, said institution may be designated as a "State Training School for Girls," and such designation shall be taken and held to have the same legal effect as if the name "State Home for Juvenile Female Offenders" were used therein.

AN ACT in relation to a municipal court in the city of Chicago.

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That there shall be established in and for the city of Chicago a municipal court which shall be styled "The Municipal Court of Chicago," hereinafter designated and referred to as the Municipal Court and the jurisdiction of which shall be exercised in the manner hereinafter prescribed by branch courts, each of which shall exercise all the powers in this act declared to be vested in the Municipal Court:

§ 2. That said Municipal Court shall have jurisdiction within the city of Chicago, in the following cases:

First. All actions on contracts, express or implied, when the amount claimed by the plaintiff exceeds one thousand dollars (\$1,000) and all actions for the recovery of personal property or for the recovery of damages for the conversion of an injury to personal property when the value of the property on [or] the amount of damages sought to be recovered, as claimed by the plaintiff, exceeds one thousand dollars (\$1,000) and which, for convenience, will be hereinafter referred to and designated as cases of the first class.

Second. All suits of every kind and nature, whether civil or criminal, or whether at law or in equity, which may be transferred to it by change of venue, or otherwise, by the circuit court of Cook county, or by the superior court of Cook county, or by the criminal court of Cook county, for trial and disposition and which, for convenience, will be hereinafter designated and referred to as cases of the second class.

Third. All criminal cases in which the punishment is by fine or imprisonment otherwise than in the penitentiary, and which, for convenience, will be hereinafter designated and referred to as cases of the third class.

Fourth. All those classes of suits and proceedings, whether civil or quasi criminal, of which justices of the peace are now given jurisdiction by law, in all of which classes of suits and proceedings said Municipal Court shall have jurisdiction when the amount sought to be recovered, whether by way of damages, penalty, or otherwise, if the suit or proceeding be for the recovery of money only, or the value of the personal property claimed, if the suit or proceeding be brought for the recovery of personal property, does not exceed one thousand dollars (\$1,000): *Provided, however,* that in any action upon a bond the amount sought to be recovered thereon and not the penalty of

the bond shall determine the jurisdiction, and that when payments are to be made by installments, an action may be brought in the Municipal Court for any installment not exceeding one thousand dollars (\$1,000) as it becomes due, and which, for convenience, will be hereinafter designated and referred to as cases of the fourth class.

Fifth. All other suits at law, for the recovery of money only, when the amount claimed does not exceed one thousand dollars (\$1,000), and which, for convenience, will be hereinafter designated and referred to as cases of the fifth class.

§ 3. That in all cases of the first class and in all cases of the second class the issues shall be made up in said court by the same forms of pleadings, as near as may be, in use in similar cases in the circuit courts; that all cases of the third class shall be prosecuted by complaint or by information in accordance with such rules as may be hereinafter prescribed or provided for, or in cases not herein otherwise provided for, by such rules of practice as may be prescribed by law for similar cases in the criminal court of Cook county or before justices of the peace; and that in all cases of the fourth class and in all cases of the fifth class the issues shall be determined without other forms of written pleadings than those hereinafter expressly prescribed or provided for.

§ 4 That said court shall be held in districts, which until otherwise provided, shall be five in number and their territorial limits shall be as follows:

Of the First District the territorial limits shall be the territory bounded on the east by Lake Michigan, on the north by the city limits, on the west by the center line of Western avenue from the city limits on the north to the center line of Fifty-fifth street, thence on the south by the center line of Fifty-fifth street to the center line of State street, thence on the west by the center line of State street to the center line of Sixty-third street, thence on the south by the center line of Sixty-third street to the center line of Cottage Grove avenue, thence on the west by the center line of Cottage Grove avenue to the center line of Seventy-first street, and thence on the south by the center line of Seventy-first street to Lake Michigan, and such territory shall be known as the First District.

Of the Second District the territorial limits shall be the territory bounded on the south by the city limits, on the east by the city limits and Lake Michigan, on the north by the center line of Seventy-first street, and on the west by the center line of Cottage Grove avenue, and such territory shall be known as the Second District.

Of the Third District the territorial limits shall be the territory bounded on the west and south by the city limits, on the east by the center line of Cottage Grove avenue from the city limits on the south to the center line of Sixty-third street, thence on the north by the center line of Sixty-third street to the center line of State street, thence on the east by the center line of State street to the center line of Fifty-fifth street, thence on the north by the center line of Fifty-fifth street to the city limits on the west, and such territory shall be known as the Third District.

Of the Fourth District the territorial limits shall be the territory bounded on the south by the center line of Fifty-fifth street, on the east by the center line of Western avenue, on the north by the center line of Lake street and on the west by the city limits, and such territory shall be known as the Fourth District.

Of the Fifth District the territorial limits shall be the territory bounded on the south by the center line of Lake street, on the east by the center line of Western avenue, and on the north and west by the city limits, and such territory shall be known as the Fifth District.

The number and boundaries of the districts may be changed, from time to time, by orders signed by a majority of the judges of the municipal court, and spread upon the records thereof, which orders shall be published for three successive weeks, once in each week, in some newspaper of general circulation in the city of Chicago, and which shall take effect respectively within thirty days after the last publication thereof: *Provided, however,* no such change in the number or boundaries of districts shall become effective unless the order therefor shall have been approved by the city council of the city of Chicago. As many branch courts shall be held in each district as may be determined by the chief justice of said municipal court to be necessary for the prompt and proper disposition of the business of said court: *Provided, however,* that at least one branch court shall be held in each district. Such branch courts may be given such designation by numbers or otherwise as may be determined by the chief justice.

§ 5. That said branch courts shall be held at such places in said city of Chicago as may be provided for that purpose by the corporate authorities thereof. If no place be provided by the corporate authorities of said city for the holding of any branch court, or if the place so provided become unfit, said branch court may, by an order signed by the majority of the judges of said municipal court, and entered upon the records of said branch court, adjourn to or convene at a suitable place for holding said branch court, procured for that purpose by said judges, within the district in which the same is located and at such place may hold said branch court, until a suitable place therefor be furnished by said corporate authorities,

§ 6. That said court shall have seals for each district and may from time to time, as may be necessary, renew the same. The expense of said seals and renewing the same shall be paid by the city of Chicago.

§ 7. That all blanks, books, papers, stationery and furniture necessary to the keeping of the records of the proceedings of such municipal court, and the transaction of the business thereof, shall be furnished the officers of such court at the expense of the city. All other expenditures on account of such court which may be authorized by the city council, and which are not specifically mentioned in this act, shall be paid out of the city treasury.

§ 8. That said municipal court shall consist of twenty-eight (28) judges, one of whom shall be chief justice and the remaining twenty-seven (27) of whom shall be associate judges. Each branch court shall be presided over by a single judge of the municipal court. The chief justice, in addition to the exercise of all the other powers of a judge of said court, shall have the general superintendence of the business of said court; he shall preside at all meetings of the judges, and he shall assign the associate judges to duty in the branch courts, from time to time, as he may deem necessary for the prompt disposition of the business thereof, and it shall be the duty of each associate judge to attend and serve at any branch court to which he may be so assigned, but the chief justice shall only assign such number of judges to the trial and disposition of cases of the first class and cases of the second class mentioned in section two (2) of this act from time to time, as may not be needed for the prompt disposition of the other business of the court. The chief justice shall also superintend the preparation of the calendars of cases for trial in said court and shall make such classification and distribution of the same upon different calendars as he shall deem proper and expedient. Each associate judge shall at the commencement of each month make to the chief justice, under his official oath, a report in writing of the duties performed by him during the preceding month, which report shall specify the number of days' attendance in court of such judge during such month, and the branch courts upon which he has attended, and the number of hours per day of such attendance, for which the chief justice shall cause suitable blanks to be prepared and furnished to the associate judges. Each judge shall be entitled to vacations, which shall not exceed thirty-six days in all in any one year and which shall be taken at such times as may be determined by the chief justice. The chief justice must give his attention faithfully to the discharge of the duties especially pertaining to his office and to the performance of such additional judicial work as he may be able to perform. Each associate judge must perform his share of the labors and duties appertaining to the office. At least one associate judge must be in attendance in one branch court in each district, six hours of each day, except Sunday, a public holiday, or a day upon which the inhabitants of the city of Chicago generally refrain from business, and each associate judge, while in the court room or in chambers, and not actually engaged in the performance of other official duties, must act upon any application for his official action, properly made to him. One branch court in the first district shall be kept open, and at least one judge assigned for that purpose by the chief justice, shall be in attendance thereat, each day, excepting Sunday or a public holiday, from nine o'clock a. m. to ten o'clock p. m., excepting two hours' intermission, for the transaction of such business as may come before it. It shall be the duty of the chief justice and the associate judges to meet together at least once in each month, excepting the month of August, in each year, at such hour and place as may be designated by the chief justice, and at such other times as may be required by the

chief justice, for the consideration of such matters pertaining to the administration of justice in said court as may be brought before them. At such meetings they shall receive and investigate, or cause to be investigated, all complaints presented to them pertaining to the said court, and to the officers thereof, and shall take such steps as they deem necessary or proper with respect thereto, and they shall have power and it shall be their duty to adopt or cause to be adopted all such rules and regulations for the proper administration of justice in said court as to them may seem expedient. The salary of the chief justice shall be seven thousand five hundred dollars (\$7,500) per annum, and the salary of an associate judge shall be six thousand dollars (\$6,000) per annum, payable in monthly installments out of the city treasury.

§. 9. That the chief justice and the associate judges of the Municipal Court provided for in the preceding section shall be elected on the first Tuesday after the first Monday of November, A. D. 1906; that the chief justice shall hold his office for the term of six (6) years and until his successor shall be elected and qualified; that of the said associate judges so to be elected nine (9) shall be elected for the term of two (2) years; nine (9) for the term of four (4) years, and nine (9) for the term of six (6) years and until their respective successors shall be elected and qualified, and on the first Tuesday after the first Monday of November, A. D. 1908, and on the first Tuesday after the first Monday of November of every sixth year thereafter, and on the first Tuesday after the first Monday of November, A. D. 1910, and on the first Tuesday after the first Monday of November every sixth year thereafter there shall be elected nine (9) associate judges of said Municipal Court and on the first Tuesday after the first Monday of November, A. D. 1912, and every sixth year thereafter there shall be elected a chief justice and nine (9) associate judges of said Municipal Court as successors in office of the chief justice and associate judges of the Municipal Court by this act required to be elected, each of whom shall hold his office for the term of six (6) years and until his successor shall be elected and qualified. The judges so required to be elected shall enter upon the discharge of their duties on the first Monday of December following their election. Vacancies in the office of chief justice or associate judge of the Municipal Court shall be filled by election at the regular municipal, judicial or other general election which shall occur next after a period of thirty (30) days from the time such vacancy [vacancies] respectively occur, but where the unexpired term does not exceed one year, the vacancy shall be filled by appointment by the Governor. Whenever a vacancy occurs in the office of chief justice, or whenever the chief justice shall be absent from the city of Chicago, or incapacitated from acting, the associate judges shall select one of their number to act as chief justice until such vacancy shall be filled by election or appointment as above provided for, or until the return of the chief justice, or until his incapacity ceases.

§ 10. That no person shall be eligible to the office of chief justice or of associate judge of the municipal court unless he shall be at least thirty years of age and a citizen of the United States, nor unless he shall have resided in the county of Cook and been there engaged, either in active practice as an attorney and counsellor at law or in the discharge of the duties of a judicial office, five years next preceding his election, or in one of said occupations during a portion of said time and in the other the remaining portion thereof, and shall, at the time of his election, be a resident of the city of Chicago.

§ 11. That every chief justice and associate judge of such municipal court, before he enters upon the duties of his office, shall take and subscribe the following oath or affirmation:

I do solemnly swear (or affirm, as the case may be) that I will support the Constitution of the United States and the Constitution of the State of Illinois, and that I will faithfully discharge the duties of the office of chief justice (or associate judge) of the Municipal Court of Chicago according to the best of my ability.

Said oath shall be filed in the office of the Secretary of State.

§ 12. That whenever two-thirds in number of the judges of the municipal court shall transmit to the city council of the city of Chicago a certificate signed by them that in the opinion of said judges the business of said municipal court is such as to require an increase in the number of the associate judges of said municipal court, said city council may, by ordinance or ordinances, provide for an increase of not more than nine in the number of said judges, who shall be elected, one-third for two years, one-third for four years and one-third for six years, at the next ensuing general election. The judges elected in accordance with such ordinance or ordinances shall hold their offices for the said respective periods for which they shall have been elected and until their successors shall be elected and qualified, and every two years thereafter their respective successors shall be elected for the full term of six years. But, after the number of associate judges has been increased to thirty-six (36) no subsequent increase thereof shall be made by the city council.

§ 13. That the judges of said municipal court may interchange with judges of other city courts, and with county judges, and said respective judges may hold court for each other and perform each other's duties when they find it necessary or convenient.

§ 14. That there shall be a clerk of said municipal court, whose term of office shall be six years and until his successor shall be elected and qualified and who shall be elected on the first Tuesday after the first Monday of November, A. D. 1906, and every six years thereafter. He shall perform with respect to said municipal court, the duties usually performed by clerks of courts of record. He shall give his personal attention to the performance of the duties of his office. He shall maintain an office in each district and each office shall be kept open for the transaction of business from eight o'clock a. m. to six o'clock p. m. of each working day during the year. Until otherwise provided by the rules which may be adopted under the provisions of this act, the powers, duties and liabilities, the oath of office and the

bond and conditions thereof of such clerk shall be the same, as near as may be, as those prescribed by law for clerks of courts by the act entitled "An act to revise the law in relation to clerks of courts," approved March 25, 1874, and in force July 1, 1874. His salary shall be five thousand dollars (\$5,000) per annum, and shall be paid in monthly installments out of the city treasury. He shall be commissioned by the Governor.

§ 15. That said clerk shall appoint such number of deputies as may be determined, from time to time, by a majority of the judges of the municipal court by orders signed by them and spread upon the records of said court. At least one deputy clerk shall be assigned to duty in each branch court. The salaries of deputy clerks shall be fixed, from time to time, by orders signed by a majority of the judges of the municipal court and spread upon the records of the court, and shall be payable out of the city treasury in monthly installments: *Provided, however*, that the salary of the chief deputy clerk shall not exceed two thousand five hundred dollars (\$2,500) per annum, and that the salary of no other deputy clerk shall exceed eighteen hundred dollars (\$1,800) per annum. Such number of deputy clerks so appointed as the judges may deem necessary shall be competent shorthand reporters, capable of correctly taking down stenographically and transcribing the proceedings of courts, and shall perform such duties with respect to attending upon and taking down stenographic reports of the proceedings of said court as may be required by the judges, and for making and furnishing transcripts of their stenographic reports aforesaid said deputy clerks shall be allowed to make such reasonable charge, not exceeding fifteen cents per each one hundred words, to the parties to whom such transcripts are furnished, as may be determined by the judges, and the judges may allow said deputy clerks to retain, as additional compensation for their services one-half of the charges so collected, the balance of such charges to be accounted for by such deputy clerks in the same manner as costs collected by them. Such deputy clerks shall take the same oath or affirmation required of the clerk of said municipal court and shall give bonds to be approved by the chief justice of said court, conditioned, as near as may be, like the bond required of the clerk. Any deputy clerk shall be subject to removal at any time by an order signed by a majority of the judges of the municipal court and spread upon the records of said court. The number of deputy clerks may be reduced at any time by an order signed by a majority of the judges of said municipal court and spread upon the records of said court. It shall be the duty of deputy clerks to render to parties to suits in cases of the fourth class and in cases of the fifth class mentioned in section two (2) of this act, such assistance and give them such information as may enable them to properly commence suits or to enter their appearances when sued, which duty shall be regulated and defined by instructions to be prepared by the chief justice.

§ 16. That there shall be a bailiff of said municipal court whose term of office shall be six years and until his successor shall be elected

and qualified and who shall be elected on the first Tuesday after the first Monday of November, A. D. 1906, and every six years thereafter. He shall perform, with respect to said municipal court, the duties usually performed by sheriffs in respect to attendance upon, and service and execution of the process, and obedience of the lawful orders and directions of, a circuit court. He shall give his personal attention to the performance of the duties of his office. He shall maintain an office in each district and each office shall be kept open in each district for the transaction of business from 8:00 o'clock a. m. to 6:00 o'clock p. m. of each working day during the year. Until otherwise provided by the rules which may be adopted under the provisions of this act, the powers, duties and liabilities, the oath of office, and the bond and conditions thereof of such bailiff shall be the same, as near as may be, as those prescribed by law for sheriffs with respect to attendance upon, and service and execution of the process, and obedience of the lawful orders and directions of, a circuit court. His salary shall be five thousand dollars (\$5,000) per annum and shall be paid in monthly installments out of the city treasury. He shall be commissioned by the Governor.

§ 17. That said bailiff shall appoint such number of deputies as may be determined, from time to time, by a majority of judges of the municipal court by orders signed by them and spread upon the records of said court. At least one deputy bailiff shall be assigned to duty in each branch court. The salaries of deputy bailiffs shall be fixed, from time to time by orders signed by a majority of the judges of the municipal court and spread upon the records of the court and shall be payable out of the city treasury in monthly installments: *Provided, however*, that the salary of the chief deputy bailiff shall not exceed two thousand five hundred dollars (\$2,500) per annum, and that the salary of no other deputy bailiff shall exceed fifteen hundred dollars (\$1,500) per annum. Such deputy bailiffs shall take the same oath or affirmation required of the bailiff of said municipal court and shall give bonds to be approved by the chief justice of said court conditioned, as near as may be, like the bond required of the bailiff. The bailiff and deputy bailiffs of the municipal court shall be *ex officio* police officers of the city of Chicago. Any deputy bailiff shall be subject to removal at any time by an order signed by a majority of the judges of the municipal court and spread upon the records of said court. The number of deputy bailiffs may be reduced at any time by an order signed by a majority of the judges of said municipal court and spread upon the records of said court. Every police officer of the city of Chicago shall be *ex officio* a deputy bailiff of the municipal court, and shall perform, from time to time, such duties in respect to criminal and quasi criminal cases, including cases pertaining to alleged violation of city ordinances pending in said court, as may be required of him by said court or any judge thereof.

§ 18. That neither the clerk nor the bailiff nor any deputy clerk or deputy bailiff of said municipal court shall receive, aside from the salary and the costs by this act required to be paid to him in his

official capacity, any money, property, or other valuable thing, as a gratuity or otherwise for the performance of any duty imposed upon him by virtue of his office, or for the performance of any work of any kind or character in any manner connected therewith. It shall be the duty of the judges of said municipal court to remove from office any deputy clerk or deputy bailiff who shall violate either of the provisions of this section. No clerk or bailiff, or deputy clerk or deputy bailiff, of the municipal court shall be appointed receiver or guardian *ad litem* in any suit therein pending.

§ 19. That until otherwise determined in the manner hereinafter provided, and except as by this act is otherwise prescribed, the practice in the municipal court shall be the same, as near as may be, as that which is now prescribed by law for similar suits or proceedings in circuits courts, excepting that in cases of the fourth class and cases of the fifth class mentioned in section two (2) of this act the issues shall be determined without other forms of written pleadings than those hereinafter expressly prescribed or provided for. Said municipal court shall be the sole judge of the applicability to the proceedings of said court of the rules of practice prescribed by law for similar cases in the circuit courts and its decisions in respect thereto shall not be subject to review upon appeal or writ of error: *Provided, however,* that upon appeal or writ of error the Supreme Court or the appellate court, as the case may be, may grant relief from any such decision in any case where, in the opinion of the Supreme Court or appellate court, such relief is necessary to prevent a failure of justice.

§ 20. That the judges of said municipal court shall have power to adopt, in addition to or in lieu of the provisions herein contained prescribing the practice in said municipal court or of any portion or portions of said provisions, such rules regulating the practice in said court as they may deem necessary or expedient for the proper administration of justice therein. The adoption of said rules shall be accomplished by an order signed by a majority of said judges, which order, when made, shall be forthwith spread upon the records of the municipal court and shall be printed in pamphlet form at the expense of the city: *Provided, however,* that no such rule or rules so adopted shall be inconsistent with those expressly provided for by this act, nor shall they become effective and be in force until after the lapse of thirty (30) days from the approval thereof by the Supreme Court. Application to the Supreme Court for such approval may be made by the chief justice of the municipal court, after notice of such application shall have been published once each week for three consecutive weeks, in some newspaper of general circulation published in the city of Chicago, specifying the time at which such application shall be made. Upon such application the Supreme Court shall review the said rule or rules so adopted and may either confirm the order adopting the same or may modify or set aside the same, and the Supreme Court may, in its discretion, substitute for the rule or rules so adopted by said judges of said municipal court, or for any portion thereof, such other rules as the Supreme

Court may deem proper, and may, in its discretion, of its own motion or otherwise, make any order respecting the rules of said municipal court which it may deem proper. The Supreme Court and the Appellate Courts, in cases brought to them from the municipal court by appeal or writ of error, shall take judicial notice of the rules of practice from time to time in force in said municipal court.

§ 21. That there shall be no stated terms of the municipal court but said court shall always be open for the transaction of business. Every judgment, order or decree of said court, final in its nature, shall, for the period of thirty days after the entry thereof, be subject to be vacated, set aside or modified, in the same manner and to the same extent as a judgment, decree or order of a circuit court during the term at which the same was rendered in such circuit court. After the lapse of thirty days any such judgment, decree or order shall not be vacated, set aside or modified, excepting upon appeal or writ of error, or by bill in equity: *Provided, however*, that all errors in fact in the proceedings in such case, which could have been corrected at common law by the writ of error *coram nobis*, may be corrected by motion, or the judgment may be set aside in the manner provided by law for similar cases in the circuit courts.

§ 22. That the final orders, judgments and decrees of the municipal court in cases of the first class, cases of the second class and cases of the third class mentioned in section two (2) of this act, may be reviewed, upon error or appeal, by the Supreme Court in all criminal cases above the grade of misdemeanors, cases in which a franchise or freehold, or the validity of a statute or construction of the Constitution is involved, and in all cases relating to the revenue or in which the State is interested as a party or otherwise, and by the Appellate Court in all other cases. The practice in cases of appeals from writs of error to said municipal court in said cases shall, except as in this act, or by rules of said court adopted in pursuance hereof, may be otherwise provided, be the same, as near as may be, as the practice in cases of appeal from writs of error to circuit courts in similar cases. But no appeal shall be allowed in any case unless the same be prayed for within twenty days after the entry of the order, judgment or decree appealed from, and no assignment of error in the Supreme Court or in the Appellate Court in any such case shall be allowed which shall call in question the decision of the municipal court in respect to any matter pertaining to the practice in said court: *Provided, however*, that the Supreme Court or the Appellate Court, as the case may be, may grant relief from any error of the municipal court in respect to a matter of practice therein in any case where, in the opinion of the Supreme Court or Appellate Court, such relief is necessary to prevent a failure of justice.

§ 23. That the final orders and judgments of the municipal court in cases of the fourth class and cases of the fifth class mentioned in section two (2) of this act, shall be reviewed by writ of error only. Such writ of error shall be sued out of the Supreme Court in all cases in which a franchise, a freehold or the validity of a statute or the construction of the Constitution is involved, and out of the Appellate

Court in all other cases. The time within which a writ of error may be sued out in any such case shall be limited to thirty days after the entry of the final order or judgment complained of. The manner of prosecuting such writ of error shall be as follows:

First—Any party to any such case against whom there has been rendered any final order or judgment of the municipal court and who shall desire to obtain a review of such final order or judgment by appeal or writ of error, may obtain from the municipal court a stay of execution upon such order or judgment for ninety days after the entry thereof by the giving of a bond with a sufficient surety or sureties, to be approved by a judge of the municipal court, conditioned for the performance by such party of, or his compliance with, such order or judgment, or his payment of the money thereby required to be paid and all costs which may be awarded the opposite party in the Supreme Court or the Appellate Court, as the case may be, in case a writ of error to review such order or judgment shall not be sued out within thirty days from the date thereof, or in case, upon the suing out and prosecution of such writ of error, the order or judgment shall be affirmed by the Supreme Court or the Appellate Court, as the case may be.

Second—No other or further stay of proceedings or execution in any such case shall be allowed by the municipal court, but the Supreme Court or the Appellate Court, or any judge thereof, may allow a supersedeas as in other cases, but upon the allowance of any supersedeas, when any bond has been given as above provided, no additional bond shall be required and such supersedeas shall be operative until the final determination of such writ of error.

Third—If, upon application to the Supreme Court or Appellate Court, or to any judge thereof, for a supersedeas the same shall be denied, such order or judgment shall stand affirmed, and no further proceedings shall be had in said Supreme Court or Appellate Court with respect thereto, unless the Supreme Court or Appellate Court, or the judge denying such supersedeas, shall otherwise order.

Fourth—The party in whose favor any final order or judgment has been entered shall be entitled to sue out a writ of error from the Supreme Court or the Appellate Court, as the case may be, by depositing with the clerk of the court from which said writ of error is sued out the sum of twenty dollars (\$20) as security to the opposite party for such costs as may be awarded such opposite party by the Supreme Court or the Appellate Court, as the case may be, upon the final determination of such writ of error.

Fifth—The party suing out any writ of error shall not be required to serve upon the opposite party any *scire facias* to hear errors, but in lieu thereof shall, within five days after the issuance of the writ of error, file the same with the clerk of the said municipal court, and make to the Supreme Court or the Appellate Court, as the case may be, proof of such filing, and such writ of error so filed shall be notice to the opposite party of the suing out and prosecution of such writ of error.

Sixth—Upon application made at any time within sixty days after the entry of any final order or judgment, it shall be the duty of the judge by whom such final order or judgment was entered, to sign and place on file in the case in which the same was entered, if so requested by either of the parties to the suit, either a correct statement, to be prepared by the party requesting the signing of the same, of the facts appearing upon the trial thereof, and of all questions of law involved in such case, and the decisions of the court upon said questions of law, or a correct stenographic report, the expense of procuring which shall be paid by the party requesting the signing of the same, of the proceedings of the trial, as such party may elect, the original of which statement or stenographic report, together with a certified transcript of the judgment, shall be certified to the Supreme Court or Appellate Court, as the case may be, as the record to be considered upon the review of such order or judgment by writ of error.

Seventh—No order or judgment so sought to be reviewed shall be reversed unless the Supreme Court or Appellate Court, as the case may be, shall be satisfied from said statement or stenographic report signed by said judge that such order or judgment is contrary to the law and the evidence or that such order or judgment resulted from substantial errors of said municipal court directly affecting the matters at issue between the parties, in which last mentioned case the Supreme Court or Appellate Court, as the case may be, may enter such order or judgment as, in its opinion, the municipal court ought to have entered, or it may reverse the said order or judgment and remand the case to the municipal court for further proceedings.

Eighth—No assignment of error in the Supreme Court or in the Appellate Court in any such case shall be allowed which shall call in question the decisions of such municipal court in respect to any matter pertaining to the practice in such court, nor shall any exceptions to the rulings and decisions of the municipal court upon the trial be necessary to the right of either party to a review of such rulings and decisions in the Supreme Court or Appellate Court upon their merits, but it shall be the duty of the Supreme Court or the Appellate Court, as the case may be, to decide such case upon its merits as they may appear from such statement or stenographic report signed by the judge: *Provided, however,* that the Supreme Court or Appellate Court, as the case may be, may grant relief from any error of the municipal court in respect to a matter of practice therein in any case where, in the opinion of the Supreme Court or the Appellate Court, such relief is necessary to prevent a failure of justice.

§ 24. That in any case transferred to said municipal court by the circuit or superior court of Cook county for trial and disposition, said municipal court shall exercise the same powers as the court from which said case has been transferred might have exercised had said case not been so transferred. The circuit court of Cook county, or the superior court of Cook county, may, upon the application of either

party for a change of venue, and shall upon the request of both parties to any suit at law or in equity pending therein, transfer said suit to the municipal court for trial and disposition. The criminal court of Cook county may, in its discretion, upon the request of the State's attorney or of any defendant, transfer to the municipal court for trial and disposition any case therein pending and shall have power to make all orders which it may deem necessary to accomplish such transfer and secure the attendance of the parties and witnesses upon said municipal court until the final disposition of the case, and said municipal court, when any criminal case shall have been so transferred to it, shall exercise all the powers with respect to the trial and disposition of said case which the said criminal court of Cook county might have exercised had said case not been so transferred. All judgments of conviction in criminal cases in said municipal court where the punishment inflicted is death or imprisonment, shall be carried into execution in the same manner as is provided by law in similar cases in said criminal court of Cook county. The prosecution of all criminal cases in the municipal court shall be conducted by or under the supervision of the State's attorney of Cook county, but in any case in which the State's attorney is disqualified from acting, or is unable to act, the court may appoint some attorney at law of Cook county to act as prosecuting attorney in such case. In all cases transferred as aforesaid to said municipal court, the practice in respect to the trial and disposition thereof shall be the same as that prevailing in the respective courts from which the same have been transferred, unless the parties shall consent that the trial and disposition thereof shall be governed by the rules of practice prevailing in said municipal court in cases commenced therein.

§ 25. That the petit jurors for the trial of cases in said municipal court shall be provided by the jury commissioners of the county of Cook in the same manner and from the same lists, as near as may be, as petit jurors are provided for the circuit, superior and criminal courts of Cook county. The names of the necessary number of petit jurors required from time to time in said municipal court shall be furnished by said jury commissioners upon demand to the clerk of the municipal court and the venuries for such jurors shall be directed to and served by the sheriff of Cook county at the expense of said county, and the fees of said jurors shall be paid out of the city treasury. The number of petit jurors to be summoned from time to time shall be determined by the chief justice.

§ 26. That it shall be the duty of the chief justice of the municipal court to cause to be interrogated all petit jurors summoned for service in the municipal court, and to cause to be enquired into the qualifications of said jurors, and to reject from service as jurors all persons who do not appear to possess the qualifications required by law, and to cause the summoning of persons competent to serve as jurors.

§ 27. That all criminal cases in the municipal court in which the punishment is by fine or imprisonment otherwise than in the penitentiary, may be prosecuted by information of the Attorney General or State's attorney or some other person, and when an information is presented by any person other than the Attorney General or State's attorney, it shall be verified by affidavit of such person that the same is true or that the same is true as he is informed and believes. Before an information is filed by any person other than the Attorney General or State's attorney, one of the judges of the municipal court shall examine the information and may examine the person presenting the same and require other evidence and satisfy himself that there is probable cause for filing the same and so endorse the same. Every information shall set forth the offense with reasonable certainty, substantially as required in an indictment, and the proceedings thereon shall be the same, as near as may be, as upon indictment in the criminal court of Cook county, excepting as is by this act otherwise provided. But criminal cases in which the punishment is by fine only not exceeding five hundred dollars (\$500) may, in the discretion of the court, be prosecuted by complaint as is provided by law for the prosecution of criminal cases before justices of the peace. Any person committed for a criminal or supposed criminal offense and not admitted to bail and not tried within four months after the date of arrest shall be set at liberty by the court, unless the delay shall happen on the application of the prisoner or unless the court is satisfied that due exertion has been made to procure the evidence on the part of the people and that there is reasonable grounds to believe that such evidence may be procured within the next sixty days, in which case the court may continue the case for such time as the court may deem necessary, not exceeding said sixty days: *Provided, however,* that if said person be not tried within said sixty days no further continuance shall be granted and said person shall be set at liberty by the court.

§ 28. That, until otherwise provided by the rules of the municipal court, and except as is herein otherwise prescribed, cases of the first class mentioned in section two (2) of this act shall be commenced and prosecuted in said municipal court in the same manner in which similar suits and proceedings are required to be commenced and prosecuted in the circuit courts, and excepting also in the following particulars:

First—The summons, when the first process is a summons, or the writ, when the first process is a writ, shall be directed to the bailiff to execute and shall be returnable upon some Monday at least ten days, and not more than thirty days, after the date thereof.

Second—Service of such summons or writ shall be made by delivering a copy thereof to the defendant, if an individual, and informing him of the contents thereof, but if any defendant be a corporation, the service shall be made in the manner provided by law for similar cases in the circuit courts.

Third—Notice to the defendant by publication may be given under like circumstances and in the same manner as is provided by law for

similar cases in the circuit courts, but the notice published, in lieu of stating the time of the return of the summons or writ, shall state the date on or before which the defendant is required to appear, which date shall be some Monday not less than forty nor more than sixty days after the date of the first publication of notice, as the plaintiff may require.

Fourth—No such suit shall be commenced in the Municipal Court unless the defendant, if there be but one defendant, resides or is found within the city of Chicago, or if the defendant be a corporation unless its principal office is within said city; but if the defendant be a corporation not having a principal office in the city of Chicago, such suit may be brought in the Municipal Court whenever service of process may be had within the city upon any officer, agent or employé of such corporation upon whom service of process might be had if issued in a suit commenced in the circuit court.

Fifth—The provisions of paragraph fourth above, shall not apply to attachment suits brought against non-residents of this State, which suits may be brought in the Municipal Court when any property of the defendant is levied upon, or any garnishee resides or is found within the city of Chicago.

Sixth—When there are several defendants, one of whom resides or is found in the city of Chicago, a summons or writ may be issued to the sheriff of Cook county for any defendant residing in said county, but outside of the city of Chicago, or to the sheriff of any other county for any defendant residing in such county, and service of any summons or writ so issued shall be made in the same manner as herein required in the case of a summons or writ directed to the bailiff: *Provided, however,* that no judgment shall, in any such case, be rendered against any defendant served with process outside of the city of Chicago unless judgment be also rendered against a defendant served within said city of Chicago.

Seventh—The plaintiff shall file his declaration within five days after the commencement of the suit, in default whereof the suit shall be dismissed unless the court by an order entered in said suit shall extend the time for filing such declaration.

Eighth—The defendant shall, in case he shall have been served with process of summons, or with writ five days or more prior to the return day thereof, demur or plead to the declaration or the complaint on or before the Monday succeeding such return day; but in case the summons or writ shall have been served less than five days prior to the return day the defendant shall not be required to plead to the declaration or complaint until on or before the second Monday after such return day. In case the time for filing the declaration or complaint shall be extended by the court, the time for the defendant to demur or plead to the same shall be extended until the second Monday succeeding the expiration of such extension of time. The time within which the defendant is required to demur or plead may be extended by the court in its discretion.

But all cases provided for in this section shall be commenced, prosecuted and disposed of in some branch court, held in the First District.

§ 29. That cases of the fourth class and cases of the fifth class mentioned in section two (2) of this act shall be brought and prosecuted in the district in which the defendant, if there be but one defendant, or one of the defendants, if there be more than one defendant, resides or is found, or, if the defendant be a corporation having its principal office in the city of Chicago, in the district in which its principal office is located; but if the defendant be a corporation not having a principal office in the city of Chicago, suit may be brought in any district within which service of process may be had upon any officer, agent or employé of such corporation, upon whom service of process might be had if issued in a suit commenced in the circuit court. If, in any such case, there is more than one defendant and one defendant resides or is found within the district in which such suit is brought or is properly served with process therein, the process of such Municipal Court may be served upon the remaining defendant or defendants at any place within said city of Chicago. But no suit shall be brought against the city of Chicago or any other municipal corporation in any other than the First District. If, in any case where there is more than one defendant, process is duly served upon one or more defendants and returned not served as to another defendant or other defendants, the suit shall proceed as in like cases in the circuit court. But the requirement that the defendant, if there be but one defendant, or one of the defendants, if there be more than one defendant, must reside or be found within the district in which such suit is brought shall not apply to attachment suits brought against non-residents of this State, which suits may be brought in any district when any property of the defendant is levied upon within such district or any garnishee resides or is found in such district, nor shall it apply to forcible entry and detainer suits in which the defendants do not reside or cannot be found within the city of Chicago, which suits may be brought in any district in which the property, the possession of which is sought to be recovered, is situated, and service of summons may be had by notice by publication in the manner required by law in cases of attachments in courts of record. When, upon the complaint of any defendant, it shall be made to appear to the Municipal Court in any district that the suit has been improperly brought therein, the court shall not be required on that account to dismiss the suit, if the Municipal Court in any district could properly have jurisdiction thereof, but in such case the court may cause such suit to be transferred to the proper district and the court in the district to which the same is transferred shall proceed therewith as if the same had been originally commenced in said district: *Provided, however,* that the court may, in its discretion, require the plaintiff to pay the costs of the defendant paid by him prior to such transfer: *And, provided, further,* that whenever a trial by jury is demanded in any case, whether civil, criminal or *quasi* criminal, the court may, in its discre-

tion, direct the trial of said case to be had in the First District, and for that purpose may cause said case to be transferred to the First District, to be there tried and disposed of.

§ 30. That every suit at law in the Municipal Court, other than a case of the second class or a case of the third class mentioned in section two (2) of this act, shall be tried by the court without a jury unless the plaintiff, at the time he commences his suit, or the defendant, at the time he enters his appearance, shall file with the clerk a demand in writing of a trial by jury, which demand, however, may be withdrawn by the party filing the same at any time before the trial, and in every case of the third class mentioned in section two of this act, a trial by jury shall be deemed waived unless the defendant shall expressly demand such trial.

§ 31. That in all cases tried by jury in a municipal court each party shall be entitled to a challenge of the same number of jurors without showing cause for such challenge as are allowed in similar cases in the circuit courts and in the criminal court of Cook county and challenges for statutory and other causes shall be allowed as in similar cases in the circuit court and in said criminal court of Cook county. It shall be the duty of the judge presiding at the trial to examine or cause to be examined all jurors called into the jury box in any case with respect to their statutory qualifications to serve as petit jurors in such case and to permit the plaintiff, or the people, and the defendant to propound to the jurors such pertinent questions as may be necessary for the purpose of ascertaining whether the jurors are biased or prejudiced. But upon appeal or writ of error to review any judgment of said Municipal Court in any case tried therein by jury no assignment of error shall be allowed which shall call in question any ruling of the court pertaining to or connected with the impaneling of the jury, other than one improperly restricting the right of the defendant to examine the jurors as to bias or prejudice, or improperly overruling a challenge by the defendant of a juror for bias or prejudice.

§ 32. That the Municipal Court in any civil suit pending therein, at any time before the trial or final hearing thereof, may permit the filing therein of interrogatories to be answered by any party to such suit or any person for whose immediate benefit such suit is prosecuted or defended, or by the directors, officers, superintendent or managing agents of any corporation which is a party to the record in such suit, at the instance of the adverse party or parties or any of them and to require an answer under oath to all such interrogatories as the party to be interrogated might be required to answer, if called as a witness upon the trial or hearing of such suit, but the party filing such interrogatories shall not be concluded by the answers thereto, if he shall elect to introduce the same or any or either of them upon the trial or final hearing.

§ 33. That upon the trial or hearing of any suit in the Municipal Court any party thereto or any person for whose immediate benefit such suit is prosecuted or defended, or the directors, officers, super-

intendent or managing agents of any corporation which is a party to the record in such suit may be examined upon the trial thereof as if under cross-examination at the instance of the adverse party or parties or any of them, and for that purpose may be compelled, in the same manner and subject to the same rules for examination as any other witness, to testify, but the party calling for such examination shall not be concluded thereby but may rebut the testimony thus given by counter testimony.

§ 34. That whenever in any suit pending in the Municipal Court evidence shall be necessary concerning any fact in support of or in opposition to any interlocutory or other motion or application, other than an application for a change of venue, the court may in its discretion, require such evidence to be presented by the oral examination of witnesses in open court or otherwise and may make all necessary orders for such oral examination.

§ 35. That any judge of the Municipal Court shall upon application of either party and upon reasonable notice to the opposite party have power to sign or otherwise make any order in any suit pending in the Municipal Court at any place within the city of Chicago, whenever in the opinion of such judge the granting of such order at such place is in furtherance of justice and such order shall be as effective as if made in any court room of said court or in the chambers of said judge.

§ 36. That cases in the Municipal Court shall be tried in such order and the calendars of cases shall be so arranged as may be determined by the chief justice or by rules of the court adopted as herein provided.

§ 37. That in trials by jury in the Municipal Court the court shall charge the jury as to the law only and the charge may, in the discretion of the Court, be given orally or in writing, but, when given orally, it shall be taken down in shorthand and at the request of either party a transcript thereof shall be made and filed in the cause in which such charge is given and shall be made a part of the record in such case.

§ 38. That whenever it appears in any bill of exceptions signed in any case of the first class or any case of the second class or any case of the third class, mentioned in section two (2) of this act, tried and determined in the municipal court, that any erroneous ruling was made by said municipal court, against the objection of the party complaining thereof, but that no formal exception was taken by such party thereto, such erroneous ruling shall be subject to review upon appeal or writ of error to the same extent and in like manner as if it appeared that a formal exception had been taken thereto by the party complaining, and no bill of exceptions shall be held defective for the want of the seal of the judge thereto. Upon the prosecution of an appeal or writ of error to review any judgment of the municipal court, in any such case, the original bill of exceptions, in lieu of a certified copy thereof, shall be inserted in the transcript of the record to be

filed in the Supreme Court or Appellate Court upon such appeal or writ of error, unless the municipal court shall otherwise direct, and upon the final determination of such appeal or writ of error, such original bill of exceptions shall be remitted to the municipal court.

§ 39. That no application for a change of venue in any case of the fourth class or in any case of the fifth class mentioned in section two (2) of this act, or in any criminal case punishable by fine or imprisonment otherwise than in the penitentiary, on account of the prejudice of the judge shall be allowed by the municipal court when the applicant names in his application more than one judge from whom such change of venue is desired, nor unless such application for a change of venue is made by petition as in like cases in the circuit courts, and such petition is filed at or before the time for filing or entering by the defendant of his appearance in the suit in which such change of venue is asked for, if such suit is a civil suit, or at or before the time the defendant is required to plead if such suit is a criminal suit, and in no case shall the granting of any change of venue delay the trial of the suit, but such suit shall be tried and disposed of at the time set for the trial thereof or at the time to which the trial thereof may be postponed before some other judge of the court than the one from whom the change of venue has been granted, or in any other district in which the same may be ordered to be tried, and all orders necessary for the setting of such case for trial and for the securing of a speedy trial thereof may be made by the judge from whom said change of venue has been obtained.

§ 40. That every case of the fourth class and every case of the fifth class mentioned in section two (2) of this act, excepting attachment suits, replevin suits, cases of distress for rent, and forcible entry and detainer suits, and also quasi criminal cases brought in the municipal court, shall be commenced by the filing by the plaintiff with the clerk of a *præcipe* for a summons, specifying the names of the parties to the suit, the amount of the plaintiff's claim and the day at which the summons shall be made returnable, which day shall not be less than five (5) nor more than fifteen (15) days from the filing of the *præcipe*, and a bill of particulars of the plaintiff's claim, which bill of particulars, if the suit be upon a contract, express or implied, shall consist of a statement of the account or of the nature of the demand, or, if the suit be for a tort, it shall consist of a brief statement of the nature of the tort and such further information as will reasonably inform the defendant of the nature of the case he is called upon to defend, but nothing herein contained shall be construed to require the bill of particulars in any action for a tort to set forth the cause of action with the particularity required in a declaration at common law. In cases of the fourth class and in cases of the fifth class mentioned in section two (2) of this act, the municipal court may adopt such rules and regulations as it may deem necessary to enable the parties, in advance of the trial, to ascertain the nature of the plaintiff's claim or claims, or of the defendant's defense or defenses.

§ 41. That upon the filing of such praecipe and bill of particulars the clerk of the municipal court shall issue a summons to the defendant directed to the bailiff to execute and returnable at ten o'clock a. m. sharp of the day for such return specified in the praecipe, which summons shall state the amount of the plaintiff's claim and shall be attested in like manner as a summons issued out of a court of record. Upon every such summons there shall be printed in plain type the provisions of this act pertaining to defaults in case of non-appearance of the defendant, and setting of the case for trial in case of appearance, and such further information as may be prescribed by the chief justice.

§ 42. That every such summons issued out of the municipal court shall be served, if the defendant be an individual, by delivering to him a copy thereof and informing him of its contents, or, if the defendant be a corporation, service shall be made upon such corporation in the same manner as is now or hereafter may be provided by law for the service of process upon such corporation in a suit at law when issued out of a circuit court. In case said summons shall not be served upon the defendant three days or more prior to the return day thereof an alias summons may be issued and a subsequent pluries summons may be issued in any case when a previous alias or pluries summons shall not have been served upon the defendant three days or more prior to the return day fixed in the previous summons. Service of such alias or pluries summons shall be made in the same manner as that above provided for the service of the original summons.

§ 43. That upon the return of any such summons duly served upon the defendant, the plaintiff shall be entitled to judgment as in case of default, unless the defendant shall either appear in person at the time specified in such summons, or shall, at or before the time fixed in such summons for his appearance, file his appearance in writing in said municipal court. Upon such default the court shall assess the damages after hearing such evidence as the court may deem sufficient for that purpose. In case the defendant shall desire upon the trial to present any set-off or counter claim, he shall file a bill of particulars thereof with his appearance: *Provided, however,* the court may, in its discretion, extend the time for the filing of such bill of particulars. It shall be the duty of the court at ten o'clock, a. m. sharp of each day upon which the court is open for business, or as soon thereafter as is practicable, to call the cases in which the summonses are then returnable for the purpose of ascertaining whether the defendants therein have appeared in person or have entered their appearance in writing, and to give such directions with respect to such appearances as the court may find necessary or proper for the information of the parties.

§ 44. That the clerk of the municipal court shall keep on hand and furnish to suitors and attorneys on application printed blank forms of praecipes, summonses, entries of appearance, affidavits,

bonds, attachment writs, replevin writs, petitions for changes of venue, and all other papers necessary for the use of the parties to suits in such court. Forms for such papers shall be prescribed by the chief justice of the municipal court, who shall also from time to time prescribe and cause to be printed forms of bills of particulars to be used in said court.

§ 45. That if in any case of the fourth class or in any case of the fifth class mentioned in said section two (2) of this act, brought in the municipal court, the defendant shall appear at the time specified in the summons or shall have entered his appearance in writing at or before the time so specified, the court shall, at such time, or as soon thereafter as practicable, fix a time for the trial thereof, and such case shall be tried at the time so fixed, or as soon thereafter as the other business of the court will permit.

§ 46. That amendments to bills of particulars, praecipes, summons and other papers filed by either party may, in the discretion of the court, be allowed at any time.

§ 47. That the court may in any case of the fourth class or any case of the fifth class mentioned in section two (2) of this act, grant such postponements of the trial, and may make such other orders in respect thereto as the court may deem proper and necessary for the protection of the rights of the parties, and the failure of the court to try any such case at the time to which trial has been postponed shall not operate as a discontinuance, but the same shall remain under the control of the court until the final disposition thereof.

§ 48. That the practice and proceedings in the municipal court, other than the mode of trial and the proceedings subsequent to the trial, in cases of attachment, replevin, distress for rent and forcible entry and detainer included within the cases of the fourth class and within the cases of the fifth class mentioned in section two (2) of this act, shall be the same, as near as may be, as that which is now prescribed by law for similar cases in courts of record, with the following exceptions:

First. There shall be no written pleadings, excepting such as are required by law in similar cases before justices of the peace, other than the affidavits in attachment and replevin, copies of the distress warrants in cases of distress for rent, and the complaint in forcible entry and detainer, and the writs shall be made returnable in like manner as the summons in other cases of such classes in the municipal court.

Second. In attachment cases the plaintiff at the time of the commencement of his suit and the defendant at the time of his appearing in person or of his entering his appearance in writing, if he shall desire upon the trial to present any set-off or counter-claim, shall file a bill of particulars thereof.

Third. In forcible entry and detainer cases the plaintiff may unite with his claim for possession of the property any claim for rent or damages for withholding possession of the same, providing such claim does not exceed one thousand dollars (\$1,000.)

Fourth. The mode of trial and all proceedings subsequent to the trial shall be the same, as near as may be, as in other cases of the fourth class and cases of the fifth class, mentioned in section two (2) of this act.

§ 49. That the practice in the municipal court in *quasi* criminal cases shall be the same as is herein prescribed for civil cases of the fourth class mentioned in section two (2) of this act, in said court, excepting as follows:

First. The first process in any suit for the violation of any municipal ordinance shall, except as hereinafter provided, be a summons. If the defendant, after being duly served with summons, fails to appear personally at the time specified in the summons, or to enter his appearance at or before such time, the court may proceed, as in case of default, or may issue a warrant for the arrest of the defendant.

Second. When the offense complained of is also a violation of any provision of the criminal code, the court may issue a warrant in the first instance for the violation of the ordinance under the like circumstances under which a warrant might issue for a violation of the criminal code, and such warrant may be served at any place within the city of Chicago if the court in its discretion shall so direct.

Third. A warrant may issue in the first instance upon the affidavit of any person that an ordinance has been violated and that the person making the complaint has reasonable grounds to believe the party charged is guilty thereof and will escape unless arrested, and stating the facts upon which such belief is based: *Provided*, the judge to whom application is made for such warrant shall be satisfied, after examining under oath the party making the affidavit, that such arrest should be made, and any person arrested upon any warrant herein provided for shall, without unnecessary delay, be taken before the branch court to which such warrant is returnable and tried for the alleged offense, and such warrant may be served at any place within the city of Chicago, if the court in its discretion shall so direct.

§ 50. That upon the arrest of any person for any criminal or *quasi* criminal offense within the jurisdiction of the municipal court, any judge of the municipal court, or any judge of the circuit or superior court of Cook county shall have power to let such person to bail and in case of the arrest of any person for any *quasi* criminal offense or for any offense when the punishment is by fine or imprisonment otherwise than in the penitentiary, the chief of police or any captain, lieutenant or sergeant of police of the city of Chicago shall have power to let such person to bail. The bail bond in any such case shall be conditioned for the appearance of the person arrested before some branch court at a time fixed in such bond for such appearance, which time shall be not later than two days after the date of the bond. Any bond so taken shall be signed by one or more sureties to be approved by such judge or officer, who shall be authorized and required to administer oaths for the purpose of ascertaining the sufficiency of the sureties. All bonds so taken shall be filed with the

clerk of the municipal court at the branch court at which the person so arrested is required to appear. The exercise of the power hereby conferred of letting to bail shall be subject to regulation by such rules as may be adopted by a majority of the judges of the municipal court as herein provided. But any person so arrested shall have the right to be brought immediately before the municipal court in the district in which he is arrested, or, if there be no judge then in attendance upon such court, to the municipal court in any other district at which there may be a judge then in attendance, to be dealt with by such court according to law. The court may, by rule, provide that any defendant arrested in any criminal case in which the punishment is by fine only, or in any *quasi* criminal case, may, in lieu of giving bail for his appearance, deposit with the clerk such sum of money as the court may deem sufficient to secure his appearance at the time or times so fixed therefor. Such sum to be forfeited and paid into the city treasury in case such defendant shall fail to appear at the time or times so fixed.

§ 51. That if the method of procedure in any case within the jurisdiction of the municipal court is not sufficiently prescribed by this act, or by any rule of court adopted in pursuance hereof, the branch court in which the same is brought or proposed to be brought, may make such provision for the conducting and disposing of the same as may appear to the court proper for the just determination of the rights of the parties.

§ 52. That both in direct and in collateral proceedings the same presumptions shall be indulged with respect to the jurisdiction of the municipal court over the subject matter of suits and over the parties thereto, as are indulged with respect to the jurisdiction of circuit courts in like cases.

§ 53. That any money judgment rendered by the municipal court, when no execution issued thereon is outstanding, may be satisfied by the payment by the party against whom the same has been rendered of the amount thereof to the clerk of said court, who, upon payment being made, shall enter satisfaction thereof and shall, upon demand, pay over the money received by him to the person appearing of record to be entitled thereto.

§ 54. That the municipal court shall take judicial notice of all matters of which courts of general jurisdiction of this State are required to take judicial notice, and also of the following:

1. All general ordinances of the city of Chicago and all general ordinances of every municipal corporation situated in whole or in part within the limits of the city of Chicago.

2. All laws of a public nature enacted by any state or territory of the United States.

§ 55. That the masters in chancery of the circuit and superior courts of Cook county shall be *ex officio* masters in chancery of the municipal court.

In any case included within the terms of this section the court may, in its discretion, order that an advance payment of costs may be waived in favor of any poor person whose financial circumstances, as made to appear to the court, are such that an advance payment would be unduly burdensome or oppressive.

§ 65. That in case it shall be hereafter determined that so much of sections nine (9) and twelve (12) hereof as fixes the terms of office of the chief justice and associate judges of the municipal court is invalid, this act shall not on that account be judged wholly invalid, but the terms of office of the chief justice and associate judges of said municipal court shall in such case be four (4) years, and they shall hold their offices until their successors shall be elected and qualified, and on the first Tuesday after the first Monday of November, A. D. 1910, and on the first Tuesday after the first Monday of November of every fourth year thereafter there shall be elected a chief justice and twenty-seven (27) associate judges of said municipal court as successors in office of the judges hereby required to be elected on the first Tuesday after the first Monday of November, A. The jurisdiction hereby conferred shall include the appointments and removals of trustees, the issuing of letters of trusteeship to such trustees, the fixing and approving of their bonds and the settlement of their accounts; and in regard thereto said court shall have and exercise full chancery powers.

§ 2. The practice in such matters of testamentary trusts in probate or county courts as herein provided shall be as nearly as may be analogous to that now existing in the probate and settlement of testate estates. The court shall have power in a summary manner to

COMBINED DRAINAGE DISTRICTS.

Preamble.

§ 76. Combined drainage by voluntary action.

§ 1 Amends section 76, act of 1885.

Approved May 18, 1905.

AN ACT to amend section 76 of an act entitled, "An act to provide for drainage for agricultural and sanitary purposes and to repeal certain acts therein named," approved June 27, 1885, in force July 1, 1885, as amended by act approved May 11, 1901, in force July 1, 1901.

WHEREAS, Prior to the amendment of section 76 of said act by the amendatory act of 1901 there were five (5) different methods for organizing drainage districts under the Farm Drainage Act of this State; and,

WHEREAS. The said amendment of 1901 was an effort to provide an additional method for the organization of drainage districts under the Farm Drainage Act; and,

WHEREAS. A mistake occurs in the title of said amendatory act of 1901 in that it refers to the original act as having been approved June 26, 1885, in force July 1, 1885, when in fact said original act was approved June 27, 1885, in force July 1, 1885; and,

WHEREAS. There is grave doubt as to the effect of said section 76, as amended by the act of 1901, because of said mistake; therefore,

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That section 76 of an act entitled "An act to provide for drainage for agricultural and sanitary purposes, and to repeal certain acts therein named," approved June 27, 1885, in force July 1, 1885; as amended by act approved May 11, 1901, in force July 1, 1901, be amended so as to read as follows:

§ 76. Where two or more parties owning adjoining lands which require a system of combined drainage, have by voluntary action constructed ditches which form a continuous line, or line and branches, the several parties shall be liable for their just proportion of such repairs and improvements as may be needed therefor, the amount to be determined as near as may be on the same principle as if these ditches were in an organized district. Whenever such repairs and improvements are not made by voluntary agreement, any one or more [persons] owning parts of such ditch shall be competent to petition for the formation of a drainage district to include the lands interested in maintaining the ditches. The petitioner or petitioners for the formation of such district must show to the satisfaction of the court that his or their land is damaged through the lack of proper repairs or improvements to said ditch or drain. The form of procedure and conditions heretofore prescribed in this act shall be observed as near as practicable; but the ditches shall be taken as a dedication of the right of way, and their construction and joining as the consent of the several parties to be united in a drainage district. These ditches, if open, shall be made tile drains when practicable.

At every regular county election, occurring after the year 1905, there shall be elected three trustees, who shall hold their offices for six years and until their successors shall be elected and qualified, to succeed those whose term of office shall expire that year. In all elections for trustees each elector may vote for as many candidates as there are trustees to be elected, but no elector may give to such candidates more than one vote, it being the intent and purpose of this act to prohibit cumulative voting in the selection of the board of trustees of the sanitary district. Each elector in such sanitary district may vote for and designate (upon his ballot cast for trustees for said sanitary district) one of the candidates for trustee to be president of said board and the person so designated who shall receive the highest number of such votes shall be declared elected president of such board. The person so elected president of such board at the November election of 1905, shall hold office for a term of five (5) years and until his successor shall be elected and qualified. Any president of such board elected subsequent to the election of November, 1905, shall hold office for six (6) years and until his successor shall be elected and qualified.

be the corporate authorities of such sanitary district, and shall exercise all the powers and manage and control all the affairs and property of such district. Said board of trustees shall have the right to elect a clerk, treasurer, chief engineer and attorney for such municipality, who shall hold their respective offices during the pleasure of the board, who shall give bond as may be required by said board. Said board may prescribe the duties and fix the compensation of all the officers and employés of said sanitary district: *Provided, however*, that the salary of the president of said board of trustees shall in no case exceed the sum of four thousand dollars per annum and the salary of the other members of said board shall not exceed three thousand dollars per annum: *And, provided, further*, that the amount received by any attorney shall not exceed the sum of five thousand dollars (\$5,000) per annum. Said board of trustees shall have full power to pass all necessary ordinances, orders, rules, resolutions and regulations for the proper management and conduct of the business of said board of trustees and of said corporation and for carrying into effect the objects for which such sanitary district is formed. All ordinances, orders, rules, resolutions and regulations passed by said board of trustees shall, before they take effect, be approved by the president of said board of trustees, and if he shall approve thereof, he shall sign the same, and such as he shall not approve he shall return to the board of trustees with his objections thereto in writing at the next regular meeting of said board of trustees occurring after the passage thereof. Such veto may extend to any one or more items or appropriations contained in any ordinance making an appropriation, or to the entire ordinance; and in case the veto only extends to a part of such ordinance, the residue thereof shall take effect and be in force, but in case the president of such board of trustees shall fail to return any ordinance, order, rule, resolution or regulation with his objections thereto by the time aforesaid, he shall be deemed to have approved the same and the same shall take effect accordingly. Upon the return of any ordinance, order, rule, resolution or regulation by the president, the vote by which the same was passed shall be reconsidered by the board of trustees, and if upon such reconsideration, two-thirds of all the members elect shall agree by yeas and nays to pass the same, it shall go into effect, notwithstanding the president may refuse to approve thereof.

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That section 1 of an act en-

titled, "An act to create sanitary districts and to remove obstructions in the Desplaines and Illinois rivers," approved May 29, 1889, in force July 1, 1889, be amended and revised so as to read as follows:

§ 1. That whenever any area of contiguous territory within the limits of a single county shall contain two or more incorporated cities, towns or villages, and shall be so situated that the maintenance of a common outlet for the drainage thereof will conduce to the preservation of the public health, the same may be incorporated as a sanitary district under this act, in the manner following: Any 5,000 legal voters resident within the limits of such proposed sanitary district may petition the county judge of the county in which they reside to cause the question to be submitted to the legal voters of such proposed district whether they will organize as a sanitary district under this act. Such petition shall be addressed to the county judge, and shall contain a definite description of the territory intended to be embraced in such district, and the name of such proposed sanitary district: *Provided, however,* that no territory shall be included in any municipal corporation formed hereunder which is not situated within the limits of a city, incorporated town or village, or within three miles thereof, and no territory shall be included within more than one sanitary district under this act. Upon the filing of such petition in the office of the county clerk of the county in which such territory is situated it shall be the duty of the county judge to call to his assistance two judges of the circuit court, and such judges shall constitute a board of commissioners who shall have power and authority to consider the boundaries of any such proposed sanitary district, whether the same shall be described in such petition or otherwise. Notice shall be given by such county judge of the time and place where such commissioners will meet, by a publication inserted in one or more daily papers published in such county, at least twenty days prior to such meeting. At such meeting the county judge shall preside, and all persons in such proposed sanitary district shall have an opportunity to be heard touching the location and boundary of such proposed district and make suggestions regarding the same, and such commissioners, after hearing statements, evidence and suggestions, shall fix and determine the limits and boundaries of such proposed district, and for that purpose and to that extent, may alter and amend such petition. After such determination by said commissioners, or a majority of them, the county judge shall submit to the legal voters of the proposed sanitary district the question of the organization and establishment of the proposed sanitary district, as determined by said commissioners, at an election to be held on the first Tuesday after the first Monday in November thence next ensuing, notice whereof shall be given by said commissioners, at least twenty days prior thereto, by publication in one or more daily papers published within such proposed sanitary district, such notice to specify briefly the purpose of such election, with a description of such proposed district. Each legal voter resident within such proposed sanitary district shall have the right to cast a ballot at such election, with the words thereon, "For Sanitary District." or "Against

"Sanitary District." The ballots so cast shall be received, returned and canvassed in the same manner and by the same officers as is provided by law in case of ballots cast for county officers. The county judge shall cause a statement of the result of such election to be spread upon the records of the county court. If a majority of the votes cast upon the question of the incorporation of the proposed sanitary district shall be in favor of the proposed sanitary district, such proposed district shall thenceforth be deemed an organized sanitary district under this act: *Provided*, that the trustees of all sanitary districts heretofore created under this act and all sanitary districts hereafter to be created under this act, whenever the expenditures of any such district shall have amounted to the sum of one million dollars and such sum shall have been raised by taxation upon the assessable property in any such sanitary district or shall have been raised by the sale of bonds of said district or otherwise, shall on or before September 1, A. D., 1905, report to the Governor of this State, and to the two branches of the Legislature thereof separately all of the items of expenditures theretofore made by them as such trustees, of the moneys so belonging to said sanitary district, together with all items of receipts from all sources and shall furnish with all such reports copies of all contracts entered into by them for the expenditure of moneys so belonging to said district and upon November 30, A. SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That sections 32, 33 and 37 of an act entitled, "An act in regard to elections, and to provide for filling vacancies in elective offices," approved April 3, 1872, in force July 1, 1872, as amended by an act approved June 3, 1897, in force July 1, 1897, and an act approved June 22, 1885, in force July 1, 1885, respectively, be and the same are hereby amended so as to read as follows:

§ 32. In counties not under township organization, the county board of commissioners shall at its regular (or at a special) meeting in the month of June or July in each year, appoint in each election precinct or district, as the case may require (where judges have not been elected therein) three capable and discreet electors to be judges of election. No more than two persons of the same political party shall be appointed judges of the same election district or undivided precinct. The appointment shall be made in the following manner: The members of said county board of commissioners who represent the political party having the greatest number of votes on said county board of commissioners, being less than the whole number, shall select (and the county board of commissioners shall appoint such selection when made) two persons, who are legal voters, as judges of election in each election precinct or district in said county which gave in the preceding general election in said election precinct or district the higher number of votes to said political party having the greatest number of votes upon said county board of commissioners, and shall also select one person, who is a legal voter, as judge of election in each of the other election precincts or districts in said county, which at the preceding general election gave in said election precinct or district, the second higher number of votes to said political party having the greatest number of votes on said county board of commissioners. The member of the county board of commissioners who represents the political party having the next highest number of votes upon said county board of commissioners shall have the power and authority to

select (and the county board of commissioners shall appoint such selection when made) two persons who are legal voters as judges of election in each election precinct or district, which at the preceding general election gave in said election precinct or district, the higher number of votes to said political party having the next highest number of votes upon said county board of commissioners and said member of the county board of commissioners representing said political party having the next highest number of votes upon said county board of commissioners shall also select, and the county board of commissioners shall appoint the said selection, when made, one person, who is a legal voter, as judge of election in each of the other election precincts or districts in said county. In case the three members of the county board of commissioners represent three different political parties, then in that case, the member of the county board of commissioners representing the political party casting the highest number of votes at the preceding general election in any election precinct or district shall select the two judges of election to serve in such election precinct or district, and the member of the county board of commissioners who may represent the political party casting the next highest number of votes at the preceding general election in any election precinct or district, shall select the one judge of election to serve in such election precinct or district: *Provided*, that if any county board of commissioners shall be composed of members who belong to any one political party entirely, then in that case the chairman of the county central committee of the political party casting the highest or next highest number of votes at the last preceding general election in each election precinct or district shall select the two judges of election, or the one judge of election, as the case may be, and the county board of commissioners shall appoint the said judge or judges of election so selected by the chairman of the above mentioned county central committee. Said election judges shall hold their office for one year from their appointment, and until their successors are duly appointed in the manner heretofore provided. No more than two persons of the same political party shall be appointed judges in the same election district or undivided precinct. The town supervisor shall be appointed as one of such judges of election in the district or precinct in which he resides. The appointment of the remaining judges of election in the various election precincts and districts shall be made in the following manner:

The members of the county board of supervisors belonging to the political party having the greatest number of votes upon said county board of supervisors shall select (and the county board shall appoint the selection so made) the majority of the election judges in each election district or precinct in each township in which said political party cast the highest number of votes at the preceding general election for Governor, and shall also select (and the county board shall appoint the selection so made) the minority judge of election in each election district or precinct in each township in which said political party cast the second highest number of votes for Governor at the preceding general election. The members of the county board of supervisors belonging to the political party having the second greatest number of votes upon said county board of supervisors shall select (and the county board shall appoint the selection so made) the majority of the election judges in each election district or precinct in each township in which said political party cast the highest number of votes at the preceding general election for Governor, and shall also select (and the county board shall appoint the selection so made) the minority election judge in the election district or precinct in each township in which said political party cast the second highest number of votes at the preceding general election for Governor: *Provided*, that if the county board of supervisors shall be composed of members who belong to any one political party entirely, then, in that case, the chairman of the county central committee of the other political party casting the next highest number of votes in said county at the preceding general election is hereby empowered and authorized to make the selection of the minority judge of election, who shall serve in each of the election districts or precincts in said county, and the members of the county board of supervisors are hereby directed to make the appointment of said minority judges of election for each election district or precinct as selected by the chairman of the above mentioned county central committee: *And, provided, further*, that where the county board shall be equally divided and two political parties shall be represented by an equal number of members, the selection and appointment of such judges of election shall be made as in the case where there is a majority of members on the county board belonging to one political party. The members representing the political party casting the highest number of votes in a township at the preceding election for Governor shall select the majority judges of election in said township, and the members representing the political party that cast the second highest number of votes at the preceding election for Governor in said township shall select the minority judges of election in said township, and the county board shall appoint the selection so made: *And, provided, further*, that where a supervisor shall be elected in a township, said supervisor representing a political party that neither has the highest nor second highest number of votes for members on the said county board, the said supervisor shall be authorized and empowered to select a majority of the judges of election in the precincts or election districts in said township, such persons to represent

the same political faith or belief as said supervisor, and the county board shall appoint the selection so made. The members of the county board representing the political party casting the second highest number of votes in said township at the preceding general election for Governor shall select the minority judges of election in said township and the county board shall appoint the selection so made. Such judges of elections shall hold their office for one year from their appointment and until their successors are duly appointed in the manner hereinbefore provided. The said county board of supervisors shall fill all vacancies in said office of judges of elections at any time, in the manner hereinbefore provided.

§ 37. Each judge of election shall choose a person having the qualifications of a judge of election, to act as clerk of election, who may continue to act as such during the pleasure of the judge making such appointment.

CANVASS OF BALLOTS REGULATED.

§ 1. "Straight tickets"—how tallied—"split tickets"—"scratched tickets"—duties of election judges and clerks.

§ 2. Repeal—intent of act.

Approved May 13, 1905.

AN ACT to dispense with individual tally marks in canvassing the so-called "straight tickets" at all elections hereafter held in this State; and concerning the duties of the clerks in the canvass of votes at such election.

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That hereafter at all general and special elections and primary elections held in this State, where the law shall provide that the clerks shall tally the votes received by candidates at such election, it shall not be necessary for the clerks of such election to mark upon the tally sheets kept by them, separate marks or tallies for each vote received by the candidates upon the ballots containing the same names, commonly known and hereafter in this act designated as "straight tickets." But when the judges shall have counted and announced to the clerks, as near as may be as now or hereafter provided by law, the number of votes received by each set of candidates upon such "straight tickets," the clerks shall set such number of votes down, in figures, opposite the names of the respective candidates, in a column provided for that purpose upon the tally sheets: which column shall immediately adjoin upon the left the space reserved for the tallies, and which shall be of convenient width and shall be headed, "Number of votes received upon 'straight tickets.'" The judges shall then proceed to count and announce the votes received by each candidate upon all ballots other than "straight tickets," including all ballots known as "split tickets," and all ballots known as "scratched tickets," and the clerks shall proceed to tally the same upon the tally sheets, and to compare and announce the result

thereof; which counting, announcing and tallying shall be conducted as now or hereafter provided by law. The clerks shall set down, in figures, the number of votes received by each candidate on ballots other than "straight tickets," as so ascertained and announced, in a column provided for that purpose upon the tally sheets, immediately adjoining on the right the space reserved for the tallies, which column shall be of convenient width, and shall be headed, "Number of votes received upon ballots other than 'straight tickets.'" The clerks shall then proceed to add together the number of votes received by each candidate, as shown in the column containing the straight votes and the number as shown in the column containing the votes other than straight votes; which result will show the total number of votes received by each candidate; and after comparing their results and finding that the same agree and are correct, they shall set down the same, in figures, in a column provided upon the tally sheets for that purpose, on the extreme right hand side thereof, which shall be of convenient width and shall be headed, "Total number of votes." Whereupon one of the clerks shall announce in a loud voice to the judges the total number of voted [votes] received by and counted for each candidate.

§ 2. All laws and parts of laws in conflict herewith are hereby repealed. Nothing in this act contained shall be construed to authorize or permit the canvassing, counting or tallying ballots with any less degree of strictness than now required by law; the intention of this act being to dispense with the individual tally marks only so far as the so-called "straight tickets" are concerned; and all other operations of tallying, counting and canvassing and announcing the votes shall proceed as near as may be in accordance with the laws now or hereinafter provided therefor.

No signature shall be valid or be counted in considering the validity or sufficiency of such petition unless the requirements of this section are complied with. At the bottom of each sheet of such petition shall be added a statement, signed by an adult resident of the political division for which the candidate is nominated, stating his residence address (and if a resident of a city having a population of over 10,000 by the then last preceding Federal census, also stating the street and number of such residence), certifying that the signatures on that sheet of said petition were signed in his presence and are genuine; and that to the best of his knowledge and belief the persons so signing were at the time of signing said petition qualified voters (and in cities, villages and incorporated towns in which voters are or may be required to be registered, that they were also at the time of signing said petition duly registered voters) of the political division for which the candidate is nominated, and that their respective residences are correctly stated therein. Such statement shall be sworn to before some officer of the county in which the person making such statement resides, authorized to administer oaths therein. Such sheets, before being filed, shall be neatly fastened together in book form, by placing the sheets in a pile and fastening them together at one edge in a secure and suitable manner, and the sheets shall then be numbered consecutively. The sheets shall not be fastened by pasting them together end to end, so as to form a continuous strip or roll. Said petition, when filed, shall not be withdrawn or added to, and no signature shall be revoked except by revocation filed in writing with the clerk with whom the petition is required to be filed, and before the filing of such petition. AN ACT to provide for the holding and regulation of primary elections.

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That hereafter the nomination for candidates for Governor, Representatives in Congress, Members of the General Assembly, all county officers and all officers of any city, village or incorporated town organized under any general or special act of this State, by all political parties as defined in this act shall be made by means of a primary election under the provisions hereof. This act shall not apply to cities, villages or incorporated towns having a population of less than 1,000, as ascertained by the last preceding Federal census: *Provided, further,* this act shall not apply to the nominations of candidates for judges of the Supreme and circuit courts, to county commissioners in counties not under township organization.

§ 2. Nothing in this act contained shall be construed to prevent nomination of candidates for any office or offices by petition, by any party as herein [therein] defined, pursuant to the provisions of sections 4, 5 and 6 of an act entitled "An act to provide for the printing and distribution of ballots at public expense, and for the nomination for candidates for public office, to regulate the manner of holding elections, and to enforce the secrecy of the ballot," approved June 22, 1891, in force July 1, 1891: *Provided,* that the petition for such nomination shall be filed with the proper officers on or before 12 o'clock, noon, of the day previous to the day fixed for the primary election under the provisions of this act.

§ 3. A political party under the provisions of this act shall be held to mean a party which, at the last preceding presidential election, cast for its candidates for electors at least ten per cent of the total votes cast at said election. No political party which, at the last preceding presidential election, cast for its candidates' presidential electors less than ten per cent of the total vote of the State shall be allowed to place the names of its candidates, or any of them, upon any primary ballot.

§ 4. Each election precinct now established, or which may hereafter be established, for the purpose of a general election, shall constitute a primary district under this act: *Provided,* that where an election precinct is or hereafter may be divided into election districts, each election district shall constitute a primary district under this act.

§ 5. A primary election, under this act, shall be held in each primary district, at the regularly established place for holding general elections, on the last Saturday, in April, A. D. 1906, and on the last Saturday in April every two years thereafter, except that the primaries for cities, villages and incorporated towns shall be held on the first Saturday of March in the years in which their officers are to be elected. The polls of said primary election shall be open from 12 m. o'clock to 7 p. m. o'clock.

§ 6. At least thirty days before a primary election, the county central committee of each political party shall hold a meeting, a notice

of which shall be sent to each member of said committee at least one week prior to the date of said meeting. And at said meeting the said county central committee shall first determine whether or not the several county officers shall be nominated at the primary election, or by the delegates chosen at such primary to the county convention, but in case the names of all candidates for county offices shall be printed in a vertical column on the primary ballot and the candidate who shall receive the highest number of votes shall have the vote of all the delegates from the primary district as herinafter provided, and if the said committee shall determine that said officers shall be nominated by primary ballot at such primary, they shall next determine whether said officers shall be nominated by a majority or plurality vote at such primary, and said committee shall also file in the county clerk's office of the respective county, a call for the county convention of its party. Said call shall state the time and place of holding the county convention, the offices for which candidates will be nominated at said primary; the total number of delegates which shall compose the convention, and the number of delegates to which each primary district will be entitled in the convention. And said call, if the county candidates are to be nominated at such primary, shall state whether the nominations for said county officers shall be made by a majority or plurality vote. The decision of said committee on the question of making the nominations at the primary election and whether by a majority or plurality vote shall be ascertained by a yea and nay roll call of the committee, which roll call shall be certified to by the chairman and secretary of the committee to the county clerk and filed with the call for such convention. No committeeman shall be permitted to name a proxy or to vote thereby, but every such committeeman, if unable to be personally present, shall notify the committee in writing how his vote shall be cast on the question of nominating by a majority or plurality vote at said primary; the chairman of the county committee shall publicly read and announce such vote of such absent committeeman and the same shall be recorded on roll call in like manner as those who are present, and said call shall be signed by the chairman and attested by the secretary of the county central committee. In case there shall be in any county of the State more than one county central committee claiming to be the regular committee, then, in that case, the county central committee that was selected by the nominating convention of 1904 and whose candidates were placed on the official ballot shall be recognized as the county central committee to make this call: *Provided*, that each primary district shall be entitled to at least one delegate to each county convention.

§ 7. All county conventions shall be held on the Thursday next following a primary election as herein provided.

§ 12. In case there shall be no justice of the peace or notary public present at the opening of a primary election, or in case such justice of the peace or notary public shall be appointed one of the primary election judges, it shall be lawful for the primary election judges to administer the oath or affirmation to each other.

§ 13. The primary election judges except as otherwise provided in this act, shall perform the same duties, have the same powers, and be subject to the same penalties as judges and clerks of general elections, under the general election laws of this State.

§ 14. Said challengers shall be permitted to remain within the polling place in such position as will enable them to see each person as he offers his vote and said challengers may remain within the polling place throughout the canvass of the vote and until the returns are signed. The challengers shall be permitted to remain so near that they can see the judges and clerks are faithfully performing their duties. All challengers shall be qualified primary electors in their respective districts and shall have the same powers as challengers at general elections.

§ 34. Before leaving the booth the voter shall fold his ballot in such manner as to conceal the marks on such ballot. He shall then hand such ballot thus folded to one of the judges of election, who shall thereupon endorse his initials on the back of the ballot, so folded, and deposit the same ballot in the ballot box. 2. If the remaining ballots exceed the number of votes entered on the registry poll books the judges of primary election shall proceed to ascertain the number of names entered on the registry poll books under each party affiliation.

3. The judges shall thereupon arrange the ballots of each political party in separate piles, and count the ballots of each political party separately.

4. 5. The primary judges shall then proceed to count the votes of each political party separately; and as the primary judges shall open and read the ballots each judge shall carefully and correctly mark down upon the tally sheets the votes which each candidate of the respective party whose name is printed or written on the ballot has received, in a separate column prepared for that purpose, with the name of such candidate, delegate, committeeman, etc., the name of his political party, and the name of the office to be filled at the head of such column.

§ 39. As soon as the ballots of a political party have been read and the votes of said political party counted, as provided herein, the clerks shall foot up the tally sheets so as to show the total number of votes cast for each candidate of said political party, including the candidates for primary committeemen and delegates to the county convention, and the total number of votes cast by said political party and certify the same to be correct, and shall also deliver the same to the county clerk. In case of a tie of such vote, the judges shall cast lots to determine who shall be committeeman. The county clerk of each county or the clerk of any city, village or incorporated town shall cause to be delivered the names of all primary committeemen of the respective parties, so elected, to the secretary of the county committee or the secretary of the city, village or incorporated town committee of the respective parties not later than 9 o'clock a. m. of the Wednesday next following a primary election.

Any vacancy occurring in any said committee shall be filled by the respective committee, provided any such vacancy shall be filled by a resident of the precinct, district or territory in which such vacancy occurs.

§ 44. Within twenty-four hours after the canvass has been completed, the primary judges shall issue credentials, forms for that pur-

pose to be furnished by the county clerk, to each one of the requisite number of candidates of each party for delegates to the county convention receiving the highest number of votes of their respective party. That is to say, where a political party in a primary district is entitled to one delegate, credentials shall be issued to the candidate of said party for the delegate receiving the highest number of said party's votes. Where a political party is entitled to three delegates, or to six delegates, to the county convention, credentials shall be issued to the three candidates, or to six candidates (as the case may be), and to each of them receiving the highest number of said party's votes. And in like manner, corresponding with the number of delegates to the county convention to which each political party of the primary district is entitled. In case of a tie, the judges shall cast lots to determine to what delegates credentials shall be issued. Said credentials shall state the total number of votes received by each candidate of his respective party in the primary district and also the name of each candidate of the respective party for each county office receiving the highest number of votes of his party in the primary district. Said credentials shall entitle the delegate named therein to a seat in the next ensuing county convention of the respective party.

§ 64. It is hereby made the duty of the grand jury of each county, at each and every term, to inquire into all violations of this act.

§ 65. *Provided*, that in all counties of this State, having a population of one hundred and twenty-five thousand or over, the following sections only shall apply, except as hereinafter provided.

§ 66. That in every county, city, village or incorporated town respectively in this State to which this act shall apply as hereinafter provided, the primary elections for delegates to constitute the various conventions of the different political parties or organizations of such county, city, village or incorporated town, or any part thereof, held for the nomination of candidates for public office in this State, and any part thereof, and for the Congress of the United States, whose names are to be printed on the official election ballots printed and distributed at public expense in such county, city, village or incorporated town, or any part thereof, shall hereafter be held under and pursuant to this act. Each nominating convention shall be held within the boundaries of the municipality or district for which its nominations are to be made, and at the place designated in the call. A majority of the delegates entitled to a seat in the convention shall be necessary to constitute a quorum. The chairman of the county central or managing committee shall call the county convention to order and preside until the temporary officers are chosen. The chairman of the county central committee shall designate a committeeman who shall call the various conventions within his district to order, which said committeeman shall be a resident of the district over which said convention is called to make nominations, and said committeeman shall preside until the temporary officers are chosen. All convention officers shall be delegates and shall be chosen upon a roll call, such roll call to be by wards and districts, and announced by the chairman of such ward or district delegation. In case, however, the vote of any ward or district is challenged or disputed when announced, then the roll of delegates of such ward or district shall be called, and the persons receiving the votes of a majority of the delegates shall be declared elected the officers of the convention. No adjournment or recess of the convention shall be taken before completing the nominations it was called to make, except upon a yea and nay vote taken upon a roll call, as aforesaid.

§ 67. Any political party or organization which at the last preceding general election for President in this State polled at least twenty per cent of the entire votes cast in the particular county, city, village or incorporated town, or district thereof, respectively, for which the

application is being made, shall be entitled under this act to hold a primary election on the last Saturday of February immediately preceding any regular spring or summer elections; which primary election shall effect only the nominations for the offices to be filled at the particular spring or summer elections next and immediately following such primary election day; and such political party or organization, qualified as stated in this section, shall be entitled also to hold another primary election on the last Saturday of April, immediately preceding any regular summer or autumn elections; which last mentioned primary election shall effect only the nominations for the offices to be filled at the particular summer or autumn elections next and immediately following such primary election day: *Provided*, that such primary election day and certificates of nomination shall be subject to the provisions of section 7 of an act entitled, "An act to provide for printing and distribution of ballots at public expense, and for the nomination of candidates for public office, to regulate the manner of holding elections, and to enforce the secrecy of the ballot," in force July 1, 1891; all political parties shall hold their primary elections on the same day.

§ 68. The political party or organization entitled under this act to hold a primary election at least twenty days before such primary election day shall file with the board of election commissioners within whose jurisdiction they are; and in such portions of the county as lie beyond the jurisdiction of said board of election commissioners, with the county clerk, and also with the county clerk where there is no board of election commissioners, a call or application in writing, which shall set forth:

First—The name of such political party and the address of the headquarters of the central committee or managing committee of such political party.

Second—The name, place and time of every convention for the nomination of candidates for public office for which such primary election is called.

Third—The description of each of the various primary election districts, together with the names of the three persons for judges of election and two persons for clerks of election for each such primary district, also the designation of a polling place for each such primary district.

Fourth—The number of delegates from each such primary district to each convention: *Provided*, that the number of delegates from each of the different primary districts be proportioned equally to the number of votes of such political party in each district as shown by the last preceding presidential election returns: *And, provided*, that each primary election district shall be allowed to be represented by at least one delegate to each convention in which such primary district is entitled to be represented: *Provided*, that all the organizations or subdivisions of any one general political party representing any municipality, district or ward, shall hold their primary elections, such as

may then be in order, for the respective county, city, village or incorporated town, or other political divisions therein, together and on one and the same day; and each municipal, district or ward organization of the party that neglects to join shall forfeit the right to hold primaries for its political nominations then due. In due time before filing said call or application, the central or managing committee representing the largest political territory for which primaries are next in order may notify, in writing, the chairman or secretary of each territorial organization of such general party to return, in writing, within a specified time, properly authenticated by such territorial organization of the party, the request of such subdivision of the party for its respective primaries, and also the name, place and time of the lawful nominating conventions they wish to hold, and containing other lawful suggestions; and upon receiving such request in writing, such central or managing committee shall include in said call or application the name, place and time of the proper conventions of such subdivisions of the party, and all such other proper matters and things as will make its primaries effective, fair and equal, and shall make only such small changes in the time of the suggested primary election day or the convention days as may be required by this act in order to have all the primaries of each political party held on the same day; but such central or managing committee, even if no request in writing is returned, may include the primaries and conventions of all such lesser territorial subdivisions of the party. If such central or managing committee, after receiving such request in writing, files said call or application without including therein the primaries and conventions of the subdivision of the party making a request in writing, as aforesaid, such subdivision of the party shall be entitled to hold its primaries together with the general party, upon filing with the proper public officer, clerk or board, at least 17 days before the primary election day, an application in writing, which shall set forth the fact of such omission, the name of the headquarters of the subdivision of such party, the name, place and time of the lawful conventions desired to be held by such subdivision of the party, and containing also such other suggestions and statements as will make it possible for the proper authorities to include the primaries of such subdivision of the party in the general primaries of the general party. In default of such central or managing committee in filing any call or application at least 38 days before nomination certificates for the regular election day are due, then each subdivision of such party whose lawful primaries are then in order may, not less than 35 days before the day such certificates are due, file its own call or application, and the lawful officer, board of election commissioners, or the county clerk, as the case may be, with whom the calls are lawfully filed, shall, in an order or memorandum, substantially in the form of a call or application, fix one and the same day for all such primaries, and shall determine and fix upon all other things necessary to have such applicants have an effective, fair and equal primary election with as little public expense as possible.

§ 69. Such call or application shall be signed by the chairman and attested by the secretary of the central committee or managing committee of such political party or organization, verified by oath that the facts therein stated are true and that they are, respectively, the chairman and secretary of such committee. No persons and no political party or organization shall use the name of another political party or organization (or any designation similar to that of another political party or organization) in such manner as to deceive voters. Upon the filing of such call or application, according to the provisions of this act, any political party or organization which, at the last preceding general election for presidential electors in this State, polled at least twenty per cent of the entire vote cast in the whole county, city, village or incorporated town, represented by such political party or organization, shall be allowed to hold a primary election under this act.

§ 70. At least ten days before the primary election day, designated as aforesaid, it shall be the duty of the board of election commissioners, or the county clerk, or both, as the case may be, upon the application or call of any political party entitled thereto, as aforesaid, through its central committee, or managing committee, as aforesaid, to give notice of such primary election. Such notice shall contain the name of the political party or organization for which such primary election is to be held, the name, place and time of each convention, according to the application or call aforesaid, to be held by such party for the nomination of candidates for public office, the date upon which such primary election is to be held, the description of each of the various primary election districts, the location of the polling place for each such district, and the number of delegates to be elected from each primary district to each convention. Such notice shall be posted in five public places in each primary district. But no failure or error in noticing or in the application aforesaid, shall invalidate any primary election actually held, and any primary election held pursuant to any notice substantially like the above notice shall be deemed to be held under this act, and all justices of the peace, and all judges of courts of record in the territory for which such primary election is called shall take judicial notice of the holding of such primary election under this act.

§ 71. For purposes of primary elections under this act, and in the more sparsely settled country, a regular election precinct may constitute a primary election district; but in populous sections, in order to save expense, from two to seven, but no more, entire contiguous election precincts of the same ward, or other political division, in as compact a form as practicable, may be joined so as to form one primary election district, but in such manner that each primary election district, consisting of two or more regular election precincts, shall include at least three regular election judges and two regular election clerks residing within such primary district and belonging to the party establishing such primary district. In no event shall any primary district contain more than eight hundred voters, to be ascertained by the party vote of the party holding said primary

election cast at the last preceding presidential election. Primary districts, when lawfully established, shall remain so established for each party's successive primaries for the period of four years, except as changes may be necessitated by law: *Provided*, that where a regular election precinct consists of, and is co-extensive with, a congressional township, then said congressional township shall constitute one primary election district within the meaning of this act: *And, provided, further*, that in such case, and in any case where there exists no board of election commissioners, and where the judges and clerks of election are appointed and chosen by a board of supervisors or board of county commissioners, then the judges and clerks who are to serve as judges and clerks of any primary election shall be members of the political party holding such primary election; and if there are no judges and clerks of election in and for such congressional township who belong to, and are members of, the political party seeking to hold a primary election under the provisions and within the meaning of this act, then the county central or governing committee of such political party shall have and is hereby granted, the power and right to name, appoint, notify, direct and qualify such members of its own party as are otherwise eligible under the provisions of this act to serve as judges and clerks of such or any primary election held under and within the meaning of this act. In each such primary election district there shall be a primary polling place, which shall be as near the center of population of such district as is practicable, and such primary polling place shall be in the most public, orderly and convenient part of such primary district, and within a room permitting easy ingress and egress to voters, and no building shall be designated or used as such polling place in which spirituous or intoxicating liquor is sold, or which is within one hundred feet of any place where such liquor is sold. The central committee or managing committee of any political party or organization entitled to hold such primary elections under this act shall establish such primary election districts and designate such polling places according to this act not less than twenty days before such primary election day. In default of such central committee or managing committee designating such primary election districts and polling places, the same shall be done by the member or members of the board of election commissioners representing said party; or, if no such board exists in any part of the county, then by the judge of the county court, and where there is a board of election commissioners which does not have jurisdiction over the entire county then the county court shall do the same over such territory in his county where said board of election commissioners does not have jurisdiction.

§ 72. Not less than ten days before such primary election day, the certain person, officer, officers or board, or board of election commissioners, as the case may be, by the general election law authorized to appoint judges and clerks for general elections, is and are hereby empowered to appoint, and shall, for each primary election district, appoint and swear in from the list of duly appointed and regular elec-

tion judges and clerks, and otherwise as herein provided, three judges and two clerks, who are members of such political party, to serve respectively as judges and clerks at such primary election: *Provided, however,* that such political party or organization, through its central or managing committee, shall have the right, not less than 20 days before such primary election day, to designate and name for appointment for service at such primary elections such certain of the regularly listed judges and clerks as were originally recommended and named or endorsed for appointment as regularly elected judges and clerks by such political party; and in case there are not a sufficient number of listed regular judges and clerks so originally recommended and named or endorsed by such political party to equip all primary polling places of such party, then such political party or organization may, not less than 20 days before such primary election day, through its central or managing committee, recommend to such appointing power a sufficient number of qualified persons for appointment to serve as primary election judges and clerks to equip all the primary polling places of such party; and such person, officer or board, having such appointing power, to whom or to which such names are designated by such political party as aforesaid, shall, not less than ten days before said primary election day, select from the names so recommended, and shall notify, appoint and swear in such persons if qualified to act as judges and clerks at such primary election: and such persons so appointed shall serve as judges and clerks, respectively, at such primary election. Except when only one or two regular election precincts form a primary election district, no two judges and no two clerks shall serve at the same primary polling place who reside in the the same regular election precinct. In default of such designation or recommendation of such judges and clerks by such political party, and in any case of vacancy among primary judges and clerks, then such person, officer or board having the appointing power as aforesaid shall appoint and swear in from the list of duly appointed and regular election judges and clerks who are members of such party a sufficient number of judges and clerks to equip all the primary polling places of such party. Such person, officer or board appointing judges and clerks as aforesaid shall keep a record of the names of all such persons so notified to appear, and whether such persons were rejected for want of qualification or excused for cause; in such case the facts shall be noted. In case any person so notified shall not appear before such person, officer or board, as required in this act, or if he do appear and refuse to serve, or if he shall be sworn to serve and fail to serve on the day appointed, he shall be guilty of a misdemeanor under this act, unless good cause be shown to excuse his default for such service. All persons subscribing to the oath as aforesaid, and all persons actually serving as judges and clerks at any primary election, whether sworn in or not, shall be deemed to be, and are hereby declared to be, officers of the county court of the respective county; and such persons shall be liable to punishment by such court in a proceeding for contempt for any misbehavior as such judge or clerk, to be tried in open court on oral testimony, in a summary manner, without written pleadings; but such trial or punishment for contempt of court shall not be any bar to any criminal proceedings against such primary judges or clerks for any violation of this act.

Such expenses are to be audited by the county judge and shall be paid by the city treasurer upon the warrants of such county judge out of any money in the city treasury not otherwise appropriated. It shall be the duty of the governing authority of such city to make provision for the prompt payment of such expenses. At all primary elections for city officers though other than city officers may be nominated at the same time, and at all primary elections in a part of such city, such city shall pay such judges and clerks for their services under this act. At all general county and State primary elections, though other than State and county officers, are to be nominated, and at all primary elections where other than judicial officers are to be nominated, such county shall pay such judges and clerks for their services under this act. Said board of election commissioners shall audit all claims of judges and clerks and shall draw a warrant therefor upon such city or county treasury, as the case may be.

Judges and clerks acting as such at any primary election shall be ineligible as delegates to any such convention. No person shall act as a delegate in any such convention except when elected a delegate, according to this act: *Provided*, that in the absence of a delegate, then the delegates present representing the district shall select some one to represent such absent delegate or delegates. If no delegates from a given district are present, then the delegates from the ward, division, or township, shall select any qualified member or members of the party as delegates to fill such vacancy or vacancies: *Provided*, that any and all delegates who are so selected to represent such absent delegates shall stand instructed to vote in the convention the same as such absent delegate or delegates were instructed to vote.

Each candidate for Governor and for United States Senator shall further file with the Secretary of State petition signed by no less than five thousand legal voters, members of the party in which he is a candidate for nomination. Not less than twenty-five days before the primary election, the Secretary of State shall certify to the county clerk of each county the names of all candidates for nomination for Governor and United States Senator, together with their political affiliations, as specified in the written request on file in his office. Each candidate for Governor and for United States Senator of the respective parties shall pay to the Secretary of State a filing fee of one hundred dollars. The officer or board having charge of elections shall cause to be delivered to the Secretary of State within ten days following such primary election, the total vote cast for each candidate of the respective parties for United States Senator and for Governor within their jurisdiction. The Secretary of State shall cause to be delivered to the chairman of the State convention of the respective parties next following such primary election, upon the assembling of such State convention of the respective parties, the total vote by counties for each candidate for United States Senator and for Governor of the respective parties. (describe office), before the next.....convention in the.....district of Illinois, and I hereby request that my name be placed on the official primary ballot of the.....party for said primary election.

....."

The candidates named in this section shall pay the following fees: Each congressional candidate \$100, each candidate for Senator \$50, each candidate for member of the House of Representatives \$25, each

candidate for mayor \$75, each candidate for alderman \$25. Such fees shall be proportionately divided among the respective counties of the district. Each candidate shall further file in the office of the Secretary of State a petition signed by at least five per cent of the voters of his party in the district as shown by the last preceding election for president. The officer or board having charge of elections shall cause to be delivered to the chairman of the respective conventions the result of the vote for said candidates last above mentioned. It shall be the duty of the secretaries of said respective conventions to read to their conventions before any candidate is put in nomination the total vote by districts received by each candidate of the respective party voted for upon the primary ballot provided for in this act.

§ 80. No candidate for the nomination for any office, who has not complied with the provisions of this act shall be nominated by any convention: *Provided*, that any convention may by a three-fourths vote of all its members nominate a person whose name did not appear upon the primary ballot; and in case of a vacancy by death or otherwise, any convention may, by a majority vote of all its members, select any qualified person as candidate to fill all such vacancies: *Provided*, that in case of a vacancy upon the ticket, by death, declination or otherwise, after the convention has adjourned, said vacancy shall be filled by the State central committee in case of State nominations, and by the county central committee in case of all other nominations, unless the respective conventions shall otherwise provide for the filling of such vacancies.

§ 81. Section 21 of an "Act to provide for the printing and distribution of ballots at public expense, and for the nomination of candidates for public offices, to regulate the manner of holding elections and to enforce the secrecy of the ballot," approved June 22, 1891, in force July 1, 1891, as amended by an act approved June 19, 1893, in force July 1, 1893, is hereby made applicable to primary elections held under the provisions of this act.

§ 82. The voter shall forthwith and without leaving the polling place retire alone to one of the voting booths and prepare his ballot unless the same has been prepared prior to entering the polling place by making a cross "X" in the square in front of and opposite the name of each candidate of his choice for each office to be filled.

§ 83. The candidate of any party for the nomination for Governor, whose name appears on the primary ballot of his party in any county, who shall have received the highest number of votes cast for any candidate for such office by his party in any primary district in such county, as shown by the certificate of returns, shall be entitled to receive and shall have cast for him the vote of all the delegates from said primary district in the nominating convention, and such fact shall be stated in the credentials issued to the delegates to the State convention of said party from said district.

§ 84. The candidate of any party for the nomination of any congressional, senatorial, aldermanic or mayoralty office whose name appears on the primary ballot of his party in any district who shall have re-

ceived the highest number of votes cast for any candidate for such office by his party in said primary district, as shown by the certificate of returns, shall be entitled to receive and shall have cast for him the votes of all the delegates from said primary district in the nominating convention, and such fact shall be stated in the credentials issued to the delegates to the respective conventions of said party from said district. And a congressional, aldermanic or mayoralty convention may by a majority vote, nominate a candidate whose name appeared on the primary ballot as a candidate for any of said offices: *Provided, however*, if it shall be ascertained by a roll-call that no candidate shall have a majority of the delegates in such convention, and that a nomination is thereby rendered impossible, then the primary district shall, by a majority vote of its delegates, direct in its discretion when the delegates may cease to vote for the candidate who has received the highest number of votes cast for any candidate for such office in any such primary district.

§ 85. At such primary elections the manner of voting shall be by ballot. The ballots shall be of uniform size, which size shall be designated at least twenty days before the primary election by the officer or board having charge of the election, under the general election law, and said officer or board shall, within said time, also designate the color of paper for the respective parties for said primary election, a different color to be designated for each party, and shall furnish to persons desiring to prepare ballots, paper upon which said ballots shall be printed, and said paper shall so be furnished at the price which it costs said officer or board. The ballots shall be printed or written, or partly printed or partly written, upon said paper so provided and designated. No primary ballots shall be furnished or printed at public expense. The primary election ballots shall be arranged and printed substantially in the manner following, to-wit: At the top of the ballot shall be printed, in large capital letters, words designating the ballot. If a republican ballot, the designating words shall be, "Republican Primary Ballot." If a democratic ballot, the designating words shall be "Democratic Primary Ballot." and in like manner for each political party. Immediately under such discriminating words shall be printed [XX], in capital letters, words describing the number of the primary district, the number of the ward and the location of the polling place. Beginning not less than one inch below [below] the designating words, the name of each office to be filled shall be printed in capital letters, in the following order, to-wit: Governor, United States Senator, Representatives in Congress, Senatorial officers, mayor, aldermen. Below the name of each office shall be printed, in smaller capital letters, the names of all candidates (alphabetically arranged according to surnames) for the nominations of said office which are entitled to be placed upon the respective primary ballots. The names of all candidates upon the primary ballot shall be printed in type of uniform size and style and the names shall be printed in a vertical column. Immediately in front of and opposite the name of each candidate shall be printed a square, and all squares upon the

primary ballot shall be of uniform size. Spaces between the names of candidates for each office shall be uniform, and sufficient spaces shall separate the names of candidates for one office from the names of candidates for another office to avoid confusion. The name of each delegate for whom the voter intends to vote shall appear on one ballot, on one and the same side thereof, in plain letters, together with the name of the convention to which such delegates are to be elected. Immediately preceding the list of delegates to any convention shall appear the name of the candidate or candidates for direct nomination, as hereinbefore provided, or for whom such delegates are expected to vote in such convention. Unless ballots substantially comply with this act in size, color and other provisions herein provided for, the same shall be void for all purposes and shall not be received or deposited or counted by any person or judge at any such primary election. The proper officer or board shall, not less than 20 days prior to a primary election provide and issue a form of primary ballot as a guide for use in printing primary ballots, which form shall be followed in the preparation of all primary ballots, and all ballots not in accordance with the provisions of this act, but which by any mistake may have been deposited in the ballot box, shall be void, and shall be marked "defective" on the back thereof; but no ballot shall be defective because the voter depositing the same has named upon it a less number of delegates than such voter was entitled to vote for. If the voter votes for more persons than there are delegates to be elected to a certain convention, or if for any reason it is impossible for the judges to determine the voter's choice, such ballot, or part thereof, shall not be counted. Ballots not counted shall be marked "defective" on the back thereof, and ballots to which objection has been made by either of the judges or challengers shall be marked "objected to" on the back thereof, and a memorandum, signed by the judges, stating how it was counted, shall be written upon the back of each ballot so marked, and all ballots marked "defective" or "objected to" shall be enclosed in an envelope, securely sealed and so marked and endorsed as to clearly indicate its contents. The judges shall receive from any person and permit to be freely and equally exposed in separate and orderly piles, within the polling place, near the ballot-box and within reach of voters, a sufficient supply of each of the various primary tickets or ballots; and the judges shall hand one of each of the various tickets to each and every person qualified to vote; and whenever the supply of any of the various tickets becomes insufficient, the judges shall immediately mention the fact of such insufficiency to one or more of the candidates or persons interested in said ticket. Any judge or clerk, or any other person, who shall in any manner conceal or remove or destroy any such supply of tickets, or who shall hinder or prevent or interfere with the free and equal reception, exposure, distribution, use or supply of such various primary tickets or ballots, or who shall do any electioneering within 100 feet of the polling place shall, upon conviction thereof, be deemed guilty of a misdemeanor.

§ 86. The polls of such primary election shall be opened at 12:00 o'clock noon, and continue open until 7:00 o'clock in the afternoon of the same day, at which time the polls shall be closed; if any judge or clerk, without lawful excuse, shall be behind time for fifteen (15) minutes after the time for opening such polls, he shall be guilty of a misdemeanor under this act and punished accordingly. No judge or clerk shall absent himself to exceed five (5) minutes at any time until the ballots are all cast and counted and returns made; and, when absent for any cause during such time, said judge or clerk shall authorize some one of the same political party with himself to act for him until his return. If any judge or clerk shall not be present after the expiration of fifteen (15) minutes from the time to open the polls, the judge or judges present shall fill the place of such absent judge or clerk, and one of the judges shall administer to such substitute the oath, as required of the judges or clerks when originally appointed, and blank forms shall be provided for such purpose, which oath shall be preserved and returned by the judges to the proper officer or the board, and such appointee shall be subject to the same punishment and penalties as any other judge or clerk. Whenever such regular judge or clerk shall be present, such substitute shall cease to act. If all judges or clerks fail to appear at the proper time at the polling place, or in case no primary judges and clerks have been appointed as provided in this act, then bystanding voters of such primary district to the number of five (5) or more of such political party may elect legal voters of such party to act as judges or clerks. Such judges and clerks, elected as last aforesaid, shall have full power to conduct such primary election in accordance with this act. Any judge or clerk who shall wilfully absent himself from the polls on such primary election day without good cause shall be guilty of a misdemeanor under this act, and if any judge or clerk shall wilfully detain any registry book or poll book, or other election paraphernalia, and not cause it to be produced at the polling place at the opening of the polls, or for fifteen (15) minutes thereafter, he shall be guilty of a misdemeanor under this act. If, for any good cause, a primary election can not be held at the polling place designated or appointed as aforesaid, the judges of such polling place may, at the time set for opening the polls of such primary election, adjourn such election to the most convenient polling place, near by, which is otherwise suitable according to this act, and such judges shall publicly proclaim such change and post a notice of such change on the polling place originally appointed.

§ 87. Before voting begins the ballot box shall be empty; and it shall be opened and shown to those present to be empty; and it shall not be removed from the public view from the time when it is shown to be empty until after the close of the polls. It shall be locked and the key delivered to one of the judges, and it shall not again be opened until the close of the polls. The judges of election shall each be held guilty of a misdemeanor under this act, if such ballot box shall not by them be kept constantly in public view during

the progress of the election, unless it shall be shown by any judge that he protested against any obstruction of the view of the ballot box and was overruled by the majority of the judges. Voters shall be admitted within the polling place and there shall be permitted no handing in of votes through windows, doors or other openings.

§ 88. Each of the clerks of election, in the poll books kept by him, shall enter in the proper column the name of each person whose vote is duly received for deposit in the ballot box; and in the column under the heading "Number" he shall note the successive number of each successive voter; and in the column headed "Residence" he shall note the residence of each such voter. Each page of such special book shall be substantially in the following form:

Such poll books shall otherwise be of the form, and shall contain the same certifications, as nearly as may be, as the poll books used in the regular elections, and such poll books shall be signed and attested in the same manner as poll books for the purpose of regular elections.

§ 89. One of the judges of such election shall receive the ballot from the voter and shall announce the residence and name of such voter in a loud voice; such ballot shall be folded by the voter in such a manner that the contents thereof cannot be seen without unfolding such ballot. If the judges of election are satisfied that the person offering to vote is a legal voter, whose name is registered on the regular election registry books, except as herein otherwise provided for localities where there is no board of election commissioners, and are satisfied that he is a member of the political party holding such primary election and if no challenge is interposed, the judge receiving such ballot shall again announce to the clerks of election the residence and name of the person offering such ballot, and such judge shall mark with pencil or ink the initials of his own name on the back of such ballot as it is folded, and thereupon such judge, after holding up and showing the ballot to be so marked, shall immediately, in the presence of the voter offering such ballot, and keeping the same in plain view of the judges and clerks of election and of such voters and challengers as may be present, deposit into the slot of the ballot box the ballot thus received and marked, and no other; and thereupon the clerks of election shall enter upon the poll books in the proper column the name and proper successive number of each voter and his residence. The judges and clerks, and each of them, shall see to it that each ballot is endorsed as aforesaid. If such person shall be challenged as disqualified, the person challenging shall assign his reason therefor, and thereupon one of said judges shall administer to the person offering to vote an oath to answer all questions truthfully, and if he shall take such oath he shall then be questioned by said judge or judges touching such cause of challenge and touching any other cause of disqualification, and he may also be questioned by the person challenging him in regard to his qualifications and identity; but if a majority of the judges are of the opinion that he is the person so registered and a voter qualified to vote at such party primary election, his vote shall then be received and deposited. But if the vote of a person apparently registered be rejected by such judges, such person may afterwards produce and deliver an affidavit to such judges, subscribed and sworn to by him before one of said judges, in which it shall be stated how long he has resided in any precinct within such primary district and in the county and State; that he is a male citizen of the United States and is a member of the political party holding such election, and is a duly qualified voter at such primary election in such district and that he is the identical person so registered or so named. But the affidavit aforesaid shall be supported by an affidavit by at [least] two registered voters, who are householders residing in such primary district, stating their own residence and that they know such person to be a member of

the political party holding such primary election, and that such person does reside at the place mentioned, and has resided in such primary district and in such election precinct, county and State for the length of time as stated by such person, which affidavit shall also be subscribed and sworn to as the affidavit last aforesaid. Whereupon the vote of such person shall be received and entered as other votes. But the clerks having charge of such poll books shall state in their respective poll books the facts in such case and the name of the person challenging; and the affidavits so delivered to said judges shall be preserved and returned to the officer entitled to receive them. Any registered voter of the party in the district may challenge. Blank affidavits of the character aforesaid shall be sent out to judge [judges] of all the districts and the judges of election shall furnish the same on demand and administer the oath without criticism. Such oaths, if administered by any other officer than a judge of election, shall not be received: *Provided*, That no judge, challenger or other person shall in bad faith, or for purpose of delay, challenge or question registered votes [voters] of the district.

§ 90. The judges of election shall permit each different ticket of delegates to be represented by a challenger chosen by a majority of those named for delegates on any particular ticket. Said challengers shall be protected in the discharge of their duty by the judges of election and the police. Said challengers shall be permitted to remain within the polling place in such a position as will enable them to see each person as he offers his vote and said challengers may remain within the polling place throughout the canvass of the vote and until the returns are signed. The challengers shall be permitted to remain so near that they can see the judges and clerks are faithfully performing their duties.

§ 91. The judges of election shall admit one or more policemen to be present in said polling place at the time of such canvass. None but the officers of such primary election, challengers and peace officers shall occupy such polling place except for the purpose of voting.

§ 92. The judges of election shall have the power to administer and certify oaths required during the progress of any primary election held under this act, and they shall have authority to keep the peace, and to cause any person to be arrested for any breach of the peace or for any breach of election laws, or any interference with the progress of such election or of the canvass of the ballots, and it shall be the duty of all officers of the law present to obey the orders of such judges of election, and an officer making an arrest by the order of any judge for any violation of the provisions of this act shall be protected in making such arrest, the same as if the warrant had been issued to him to make such arrest.

§ 93. Immediately upon the closing of the polls the judges and clerks shall proceed to canvass the votes polled. If two or more ballots are found folded together and within each other, so as to appear to have been cast by the same person as one ballot, and the inner bal-

lot or ballots are without the proper initial mark, as provided in this act, then all such ballots so folded together, including the outer one, whether such outer one is properly marked on the back thereof as provided in this act or not, shall, as nearly as may be, in the same condition as found, be marked "stuffed," and such ballots shall be void and shall not be counted, and the same shall be placed in an envelope marked "stuffed ballots," which envelope shall be sealed and preserved, together with the other ballots. If the ballots remaining shall be found to exceed the number of names entered on the poll lists, such judges and clerks shall reject the ballots, if any be found upon which the proper initial marks do not appear. If the number of ballots still exceed the number of names entered on such poll list, the ballots remaining shall be replaced in the ballot box and the box closed and well shaken, and again opened, and one of the judges shall publicly draw out and destroy so many ballots unopened as shall be equal to such excess, keeping a note of the number of such ballots and noting the same on the statement of returns. Such judges and clerks shall then proceed to count, declare and record the votes in the following manner: The judges shall open all the ballots and place in separate piles those which contain the same names throughout. Each of the judges shall examine such separate piles and exclude from such piles any ballots which do not contain all the same names for all the same conventions. One of said judges shall then take one pile of the ballots which contain the same names and count them carefully, examine each name and convention on each of such ballots. Such judge shall then pass the ballots aforesaid to the judge sitting next to him, who shall count them in the same manner, and he shall then pass them to the third judge, who shall also count them in the same manner. The third judge shall then call the names of the persons named in such ballots and the conventions for which they are designated, together with the number of votes for each so far as counted, and the poll clerks shall tally the number of votes for each of such persons on tally sheets. When such judges have counted through such first pile of ballots containing the same names, and when the poll clerks shall have tallied the votes for each of the delegates named in such ballots, they shall then take up the next pile of ballots containing the same names and shall count them in the same manner as last aforesaid. AN ACT to provide for the organization and management of mutual insurance corporations for the purpose of furnishing insurance and indemnity against loss to members in consequence of accidents or casualties to any employe, person or persons occurring in or connected with the business of members thereof; and to control such corporations of this State and other states doing business in this State and providing and fixing the punishment for violation of the provisions thereof.

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That any number of persons not less than twenty, the majority of whom shall be *bona fide* citizens of the State of Illinois, and all of whom shall be engaged in the same class of manufacturing or mining, by complying with the provisions of this act, may become, together with others that may hereafter be associated with them or their successors, a body corporate, for the purpose of carrying on the business of a mutual insurance company insuring risks hereinafter designated and none other: *Provided, however,* that any person who shall be a partner in any firm, or a stockholder in any corporation, engaged in any class of manufacturing or mining, shall be deemed a person engaged in such business for the purpose of associating in the formation of any corporation under the provisions of this act.

§ 2. The persons proposing to form a corporation under this act shall associate themselves by making a statement to that effect under their hands and acknowledge the same before some officer in the manner provided for the acknowledgment of deeds.

§ 3. Such articles of association shall state:

First. The names of the persons associated in the first instance and their respective residences.

Second. The name by which such corporation shall be known, which name shall not be the same as, nor resemble, the name of any other corporation organized under the laws of the State of Illinois, and shall embody therein the word "Mutual."

Third. The location of its principal office for the transaction of its business which shall at all times during the life of such corporation be located within the State of Illinois.

Fourth. The objects of the corporation and the purpose of forming the same for the transaction of the business of mutual insurance in accordance with the provisions of this act.

Fifth. The specific class of manufacturing or mining in which the incorporators are engaged and whether such incorporators are engaged as individuals, or are members of a partnership, or stockholders in a corporation. If not engaged as individuals, the name of the partnership, or corporation must be stated.

Sixth. The number of directors, a majority of whom must be residents of the State of Illinois, and the names and residence of those who are to serve as such directors until the first annual meeting of such company.

Seventh. The time and place of holding the regular annual meeting of members.

§ 4. Such articles of association, and the duplicate thereof, after execution and acknowledgment by the incorporators, shall be filed in the office of the Insurance Department of the State of Illinois. The Insurance Superintendent shall examine the proposed name of the corporation and shall have the right to reject any name of any corporation applied for, when he shall deem the name similar to one in use by any corporation already transacting business in this State, or is likely to mislead the public in any respect. After such examination by the Insurance Superintendent, he shall cause an examination of said corporation to be made by his office, and if he shall find that the incorporators are engaged in the class of business stated in the articles of incorporation, and that such company has received and is in actual possession of the premiums, the *bona fide* applications of insurance, and the premium notes, each and all in every respect as provided in this act, to the full extent and value required, he shall certify to the same under oath, attaching such certificate to the articles of incorporation, and duplicate thereof. The articles of incorporation and duplicate thereof shall then be filed in the office of the Secretary of State for record. After the same shall have been recorded therein, the duplicate articles of incorporation shall be certified to by the Secretary of State and delivered to the insurance department of the State of Illinois, whereupon the Insurance Superintendent shall make and deliver to said company two certified copies thereof, one of which shall be filed in the office of the clerk of the county where the principal office of the company is to be located,

which shall be the authority of said company to commence business, and the other copy retained in the principal office of the company. Upon the filing of such certified copy of articles of incorporation in the office of the clerk of the county, the incorporators, and those who thereafter may become associated with them, become and are a body corporate for the purposes set forth in said articles of incorporation, and are authorized thereby to commence business.

§ 5. Any company formed under the provisions of this act shall not commence business until such company shall have entered into agreements for insurance or indemnity, with at least twenty-five (25) applicants. The total amount of insurance or indemnity applied for shall be based upon a pay-roll of not less than an aggregate, annually, of two and one-half million dollars (\$2,500,000), and the total amount of premiums upon insurance so applied for shall not be less than fifteen thousand dollars (\$15,000), of which said last named amount not less than twenty-five (25) per cent thereof shall have been previously paid in cash, and is at the time in possession of the company, the balance of said premiums being either payable in cash or in secured notes or bonds, or both, which said notes or bonds shall be of solvent parties founded upon actual applications for insurance made in good faith, and are at the time in the possession of the company. No note or bond so given as herein provided shall be represented as part of the total amount of premiums required to be held by such company unless a policy shall be issued thereon, and received by the maker of said note, or bond, within thirty (30) days after the organization of the company upon a risk which shall be for no shorter period of time than twelve (12) months. No note, or bond, shall be accepted as a part of the total amount of premiums required under this act for the purpose of the commencement of business, unless accompanied by a certificate of the cashier of a State or government bank located in the county in which the maker of such note, or bond, resides: *Provided, however*, that no such certificate shall be required if any note, or bond, given for any premium as herein provided shall be secured by the pledge of bonds of the United States, bonds of this State or any other state of the United States, or bonds, or evidence of indebtedness bearing interest, of any county, incorporated town, city or school district within this State, where such bonds or other evidence are issued by authority of law, and upon which the interest has never been in default, said bonds or other evidence of indebtedness so pledged being at the same time at or above par, and of the current value of at least twenty-five (25) per cent more than the face of said note, or bond. The Insurance Superintendent is hereby given the right to demand other evidence to his satisfaction of the solvency and responsibility of the maker of any such note, or bond.

§ 6. Every person, firm or corporation insured by any company organized under the provisions of this act shall pay at the time of receiving his policy such sum in money, and give his premium note, or bond, for such further sum as may be required: *Provided, however*, the insured may pay the entire premium in cash, and every per-

son, firm or corporation, effecting insurance in any company organized under this act, as well as the heirs, executors or assigns of any such person, or firm or the assigns or successors of any such corporation, so long as the person, firm or corporation shall continue to be so insured, shall thereby become members of such corporation during the period of insurance, and shall be bound to pay for losses, and such expenses as may accrue in the management of such company, in proportion as the amount of the premium for insurance effected by any such person, firm or corporation bears to the total premium of all insurance effected in the company. The directors of any company organized under the provisions of this act as often as they may deem necessary after receiving notice of any loss or damage covered by any policy issued by such company or of any expense incurred in the management of such company, shall settle, and determine the sum, or sums, to be paid by the several members thereof on their respective portions of such loss, or such expense, or both, and give notice thereof to each member in such manner as the by-laws may require; said sum, or sums, so determined shall be paid into the treasury of such company within sixty (60) days after the giving of such notice. If any member, for the period of sixty (60) days after the giving of such notice shall neglect or refuse to pay the sum so assessed upon him as his proportion of any loss as aforesaid, or of any expenses of such company, such company may sue for and recover judgment against said member for the whole amount of such premium note or notes, with costs of suit, but execution shall only issue thereon for assessments and costs as they accrue. If the whole amount of premium notes taken and held by any company organized under the provisions of this act shall be insufficient to pay the losses and damage sustained under policies issued by this company, and the expenses of the management of such company, then and in that event the sufferers insured by the said company shall receive towards making good their respective loss or losses, such proportional share of the whole amount of such notes as the total insurance carried by them bears to the whole amount insured by the company: *Provided, however*, that no member shall ever be required to pay as his share for any loss more than the whole amount of his premium.

§ 7. No company organized under the provisions of this act shall incur any debt or liability whatever except for the payment of losses and expenses that may accrue in the management of such company: *Provided, however*, that the board of directors of any such company are expressly authorized to negotiate loans for any loss or losses occurring under any policy issued by such company in anticipation of the collection of the respective amounts from the members thereof, but no such loans, shall be for a longer period than six (6) months: *And, provided, further*, that the board of directors of any such company, when authorized by a two-thirds vote of all the members of the company, shall have the right, and are expressly authorized to incur indebtedness, and make contracts for the payment thereof in such manner as by them may be deemed advisable for the purpose of leasing or purchasing real estate and erecting a building thereon, or for

the purpose of erecting a building upon real estate already acquired either by lease or deed, the same to be used either for the principal office, or a local office of said company, but no such indebtedness shall be incurred until provisions shall have been made by the board of directors for creating and maintaining a sinking fund into which there must be placed annually thereafter a sum not less than five nor more than ten per cent of the total indebtedness so incurred, the money accumulating in said sinking fund to be used in the extinguishment of such indebtedness in such amounts and in such manner as the board of directors may determine. Any sum herein provided to be converted into said sinking fund shall be a part of the expense of the company.

§ 8. Any company organized under the provisions of this act shall by its incorporated name have the power and be capable to sue and be sued; to make contracts of insurance upon the plan herein provided, in this State or elsewhere, with any person, firm or corporation engaged in the same class of business as the incorporators; to prescribe the qualifications and the manner and form of the admission or withdrawal of members; to have and use a common seal which may be changed and altered at pleasure; to be capable in its corporate name or in the name of a trustee chosen by the board of directors, of taking, purchasing, leasing, holding and disposing of real and personal property for carrying into effect the purposes of their organization; to make by-laws and regulations not inconsistent with the provisions of this act, the constitution of this State or of the United States, which by-laws and regulations shall designate the number of directors, define the duties of the officers and fix the term of office of the directors and officers of such company; to make all necessary rules and regulations concerning the risks incurred, the premium rates to be used and the adjustment and payment of losses, subject to the restrictions hereinafter prescribed; to fix the compensation of its directors and officers, define their duties and obligations and require bond for the faithful performance thereof; and, to exercise such other powers as may be necessary to effect the object of such company.

§ 9. In any company organized under the provisions of this act the amounts received for cash premiums and payments, together with the investments and accumulations thereof remaining on hand at any time shall constitute the actual funds of such company; the amount due on premium notes shall constitute the contingent fund, and the aggregate of such funds shall constitute the capital of such company, and the use of the word "capital" wherever it may occur in this act shall be held to mean and include the two funds above designated, and not otherwise.

§ 10. All premium notes or bonds deposited with any company organized under the provisions of this act at the time of its organization as herein provided, shall remain as security for all losses and claims until the accumulation of their profits from investments allowed by this act shall equal the amount of cash capital required to be possessed unless the obligations of the maker thereof under the terms of the contract of insurance in said company shall have

sooner expired. No premium notes given at the time of the organization of the company, and used in determining whether such company is entitled to commence business, shall be canceled or released within one year, nor until all losses accruing during the continuance of the notes are paid, and all pledges given to secure any of said notes or bonds shall remain pledged with the company until the note or bond they are given to secure shall be paid or canceled.

§ 11. No company organized under the provisions of this act shall purchase or hold any real estate except:

First. Such as shall be necessary for the transaction of its business; or,

Second. Such as shall have been mortgaged to the company in good faith by way of securities for debt; or,

Third. Such as shall have been conveyed to the company in satisfaction of debts previously contracted in the course of its dealings; or,

Fourth. Such as shall have been purchased at sales upon judgments, decrees or mortgages in favor of such company, and all real estate obtained by virtue of any provisions of this section, except that mentioned in the first subdivision, shall be sold or disposed of within five years after the title has been perfected in such company, unless the company shall procure a certificate from the insurance superintendent that the interests of said company will materially suffer by a forced sale, in which event the sale may be postponed for such period as the Insurance Superintendent shall direct in said certificate.

§ 12. Any company organized under the provisions of this act shall have the right to accept cash premiums in place of premium notes for any term of an insurance not exceeding one year, the amount of cash to be paid to be determined by the directors of the company: *Provided, however*, that no discrimination shall be shown, nor rebates, nor discounts allowed for cash premiums.

§ 13. Any company organized under the provisions of this act is empowered and authorized to make contracts of insurance or indemnity, insuring or indemnifying employers against loss in consequence of accidents or casualties of any kind to any employé or employés, or to any person or persons, resulting from any act or acts of any employé or employés; or accidents or casualties to any person or persons or any employé or employés, resulting from any reason or cause whatsoever, and occurring in or connected with the transaction of the business of any employer. No person shall be insured by any company who is not engaged in the same class of business as the incorporators of any such company, and any contract of insurance made with any person not so engaged in the same class of business as the incorporators of the company shall be void.

§ 14. No company organized under this act shall invest its funds in any other manner than as follows: In bonds of the United States, in bonds of this State or any other state or territory of the United States, if at or above par; in bonds and mortgages, or unincumbered

real estate within this State or in any other state in which said company may be transacting an insurance business, worth at least double the amount loaned thereon, and the value of such real estate shall be determined by a valuation made under oath by two freeholders of the county where the real estate is located (if buildings are considered a part of such real estate they must be insured for the benefit of the mortgagee): in bonds or other evidence of indebtedness bearing interest of any county, incorporated city, town or school district within this State, or any other state in which said company may be transacting an insurance business, where such bonds or other evidence of indebtedness are issued by authority of law, and upon which interest has never been defaulted; in loans upon the pledge of stocks, bonds or mortgages or par value, if the current value of such stock, bonds or mortgages is at least twenty-five (25) per cent more than the amount loaned thereon; and in stocks, debentures and bonds of incorporated companies incorporated under the laws of one of the states of the United States, or of the laws of the United States; but in no event shall more than an amount equal to twenty (20) per cent of the amount of the capital of the investing company be invested in the stocks, debentures or bonds of any one incorporated company, which stocks, debentures or bonds must not be below par and of the current value of at least fifty (50) per cent more than the amount loaned thereon.

§ 15. The president or the vice president, together with the secretary of each company organized or authorized to do business under this act, shall annually on or before the 31st day of March of each year, prepare under oath and file with the Insurance Superintendent, a full, true and complete statement of the condition of such company on the 31st day of December of the preceding year, which statement shall set forth the following items and facts:

It shall not be necessary for the company to serve any notice upon the insured on the cancellation of the policy for any reason herein stated. It shall have the right to provide in any policy issued to any member, that notice in event of loss shall be given by such member within fifteen (15) days after the happening thereof,

SECTION 1. *Be it enacted by the People of the State of Illinois represented in the General Assembly:* That the board of directors of public libraries organized under an act of the General Assembly of the State of Illinois, entitled, "An act to authorize cities, incorporated towns and townships to establish and maintain free public libraries and reading rooms," approved and in force March 7, 1872, and maintained thereunder in cities having a population exceeding one hundred thousand inhabitants, shall have power, and it shall be its duty, to create a public library employes' pension fund, which shall consist of amounts retained from the salaries or wages of employes as hereinafter provided, which amounts shall be deducted in equal monthly installments from such salaries or wages at the regular time or times of the payment thereof, and such other moneys derived from miscellaneous sources as the board of directors shall determine.

§ 2. The term "employé" under this act shall include all persons in the employ of the public library board receiving a stipulated salary per annum, and this act shall apply only to those employes who voluntarily accept and agree to comply with its provisions. Any employé, a part of whose salary may be set apart hereafter to provide for the fund created by this act, may be released from the necessity of making further payments to said fund by filing a written notice of his or her desire to withdraw from complying with the provisions of this act with the board of trustees hereinafter mentioned, which resignation shall operate and go into effect immediately upon its receipt by said board of trustees.

§ 3. The city treasurer, subject to the control and direction of the board of trustees hereinafter mentioned, shall be the custodian of said pension fund, and shall secure and safely keep the same, and shall keep books and accounts concerning said fund, in such manner as may be prescribed by the said board of trustees, which said books and accounts shall always be subject to the inspection of said board of trustees, or any member thereof. The city treasurer shall, within

ten days after his election or appointment, execute a bond to the city, with good and sufficient sureties, in such penal sum as the said board of trustees shall direct, which said bond shall be approved by the said board of trustees, and shall be conditioned for the faithful performance of the duties of said office, and that he will safely keep and well and truly account for all moneys belonging to said pension fund, and all interest thereon, which may come into his hands as such treasurer, and that upon the expiration of his term of office, or upon his retirement therefrom for any cause, he will surrender and deliver over to his successor all unexpended moneys, with such interest as he may have received thereon, and all property which may have come into his hands as treasurer of said pension fund. Such bonds shall be filed in the office of the city clerk of said city, and in case of a breach of the same, or the conditions thereof, suit may be brought on the same in the name of the said city for the use of said board of trustees, or any person or persons injured by such breach.

§ 4. The board of directors of such library shall, in the month of September, immediately following the passage of this act, arrange for the election of a board of trustees of said pension fund composed of five members, to be chosen as hereinafter provided, which election shall be held not later than October 31st of the same year. Said board of trustees shall have power, and it shall be its duty to administer said fund and to carry out the provisions of this act, and for the purpose of enabling such board of trustees to perform the duties imposed and exercise the powers created by this act, the board of trustees shall be, and is hereby declared to be a body politic and corporate.

§ 5. The said board of trustees shall consist of the president and secretary of the board of directors of such public library, two employes contributing to said fund and one other member of said board of directors. The three other members of such board of trustees shall be elected by ballot by the employes contributing to said fund at the time and for the terms respectively, as follows: At the first election the contributors to said fund shall elect one of their number to serve for the term of one year and one of their number to serve for the term of two years and annually thereafter said contributors shall elect one of their number to hold office for the term of two years. At each election the contributors shall elect a member of the board of directors of such public library to serve as a member of such board of trustees for a term of one year.

§ 6. Whenever any elective member of the board of trustees shall cease to be in the employ of or to be a member of said board of directors of such public library, his or her membership in said board of trustees shall cease.

(1) To determine the amount which shall be deducted from the salaries or wages paid to employes for the benefit of said pension

fund: *Provided*, the amount of such deduction shall not be less than six dollars nor more than forty-eight dollars per year for each employé.

(2) To make all payments from said pension fund pursuant to the provisions of this act.

(3) To administer and invest in its discretion any part of the said pension fund remaining in the hands of said treasurer.

(4) To pay all necessary expenses in connection with the administration of said fund and in carrying out the provisions of this act for which provision is not otherwise made.

(5) To determine the amount to be paid as benefits or annuities under this act and to increase or reduce the same in its discretion: *Provided*, that no benefit or annuity shall exceed six hundred dollars per year.

(6) To take by gift, grant or bequest, or otherwise, any money or property of any kind and hold the same for the benefit of said fund.

(7) To purchase, hold, sell or assign and transfer any of the securities in which said fund or any part thereof may be invested, subject to the approval of the board of directors of such public library.

(9) To fill any vacancy or vacancies in said board of trustees until the next annual election, as hereinbefore provided.

(10) To make and establish all such rules for the transaction of its business and such other rules, regulations and by-laws as may be necessary for the proper administration of said fund committed to its charge, and the performance of the duties imposed upon it.

(11) It shall keep full and complete records of its meetings and of the receipts and disbursements on account of such fund, and also complete lists of all contributors to said fund, and of all annuitants receiving benefits therefrom, and such other records as in its judgment shall seem necessary, and shall make and publish annually a full and complete statement of its financial transactions.

said fund for the same period, shall have the right to retire and become a beneficiary under this act, and to receive such benefit or annuity from said fund as shall be determined by said board of trustees, which said benefit or annuity shall be proportionate to the amount of the contributions of such employé.

§ 10. Any person who has contributed to said fund for a period of ten years or more may retire from the service of said public library board on account of serious disability, rendering him or her unable to properly discharge his or her duties, upon ninety days' notice to be given to said board of trustees (unless such notice is waived by said board of trustees) and may become an annuitant under this act, and shall thereupon be entitled to receive for a period of two years (which may be extended upon proof of continued disability) such part of the annuity then allowed under the rules, as said trustees may determine.

§ 11. Any employé who has been contributing to said fund and who shall be dismissed or resign from the service of said public library board, may, upon application made within three months after date of such dismissal or resignation, receive one-half of the total amount paid into said fund by such person so dismissed.

§ 12. cars in such train which are associated together with said fifty per centum shall have their brakes so used and operated; and, to more fully carry into effect the objects of this act, the Railroad and Warehouse Commission may, from time to time, after a full hearing, increase the minimum percentage of cars in any train required to be operated with power or to train brakes, which may have their brakes used and operated as aforesaid; and failure to comply with any such requirement of said Railroad and Warehouse Commission shall be subject to the like penalty as failure to comply with any requirements of this section.

§ 9. That any employé of any such common carrier who may be injured by any train, locomotive, tender, car or similar vehicle in use contrary to the provisions of this act, shall not be deemed to have assumed the risks thereby occasioned, nor to have been guilty of contributory negligence, because of continuing in the employment of such common carrier or in the performance of his duties as such employé after the unlawful use of such train, locomotive, tender, car or similar vehicle, had been brought to his knowledge.

In all cases of failure or refusal of any person, officer, company or association to make such return or statement, it shall be the duty of the assessor to make such return or statement from the best information which he can obtain.

But the State Board of Equalization shall not assess the capital stock of companies and associations organized for purely manufacturing and mercantile purposes or for either of such purposes, or for the mining and sale of coal, or for printing, or for the publishing of newspapers, or for the improving and breeding of stock. The respective assessments so made (other than of the capital stock of railroad and telegraph companies) shall be certified by the Auditor, under direction of said board, to the county clerk of the respective counties in which such companies or associations are located, and said clerk shall extend the taxes for all purposes on the respective amounts so certified the same as may be levied on the other property in such towns, districts, villages or cities in which such companies or associations are located.

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That sections thirteen (13), fourteen (14), twenty-nine (29), thirty-five (35), and forty-three (43), of an act entitled, "An act for the assessment of property and providing the means therefor, and to repeal a certain act therein named," approved February 25, 1898, in force July 1, 1898, and section ten (10) thereof as amended by act of May 14, 1903, be, and the same are hereby amended so as to read as follows:

§ 10. The county clerk shall before the first day of April, in the year 1907, and every fourth year thereafter, make up, in books to be provided for that purpose, a list of lands and lots to be assessed for taxes in the manner provided in the general revenue law. He shall also annually after the adoption of this act before the first day of April make a list of lands and lots which are taxable, or which shall become taxable for the first time, and which are not already listed, and a list of lands and lots which have been subdivided and not listed by the proper description. Such lists shall be made up in the manner in which the county clerk is required by the general revenue law to make such lists: *Provided*, that in counties of 125,000 inhabitants, or over, said books shall be made in triplicate.

§ 13. All such lists, valuations and entries shall, in counties of 125,000 inhabitants or over, be made in triplicate assessment books; in all other counties in duplicate books. The assessor shall, also, from time to time, make such alterations in the description of real property as he may find necessary, and when real property has been subdivided since the making of the general assessment, shall from time to time correct the descriptions so that they shall correspond to the subdivisions, and distribute the assessment in the proper proportions among the lots or parcels into which the land shall have been subdivided, and in case of a vacation of a subdivision re-adjust the descriptions of the assessment accordingly.

§ 14. On or before the first day of June in each year, other than the year of the quadrennial assessment, the assessor shall determine

the amount, in his opinion, of any change in the value of any tracts or lots of land by reason of any injury to, alteration in or addition to, the improvements thereon, since the first of April in the preceding year and prior to the first of April in the current year, and add to or deduct from the assessment accordingly, setting down the amount of such change in a proper column in the assessment books. The value of lands and improvements shall be separately fixed, and shall, in any assessment made hereafter, be set down in separate columns in said assessor's books. The assessors shall not in any year, except the year of the quadrennial assessment, change the valuation of any real estate or improvements or the division thereof, except as above provided in this section: *Provided, however,* that if at any time before judgment or order of sale therefor the said assessors shall discover an error or mistake (other than errors of judgment as to the valuation of any real or personal property) in any assessment of any property belonging to any person or corporation, they shall issue to the person or corporation erroneously assessed a certificate setting forth the nature of such error and the cause or causes which operated to produce the same, which said certificate, when properly endorsed by the majority of the board of review, showing their concurrence therein, and not otherwise, may be used in evidence in any court of competent jurisdiction and when so introduced in evidence such certificate shall become a part of the court record and shall not be removed from the files except on an order of the court.

§ 29. As soon as the county assessor or supervisor of assessments shall have the personal property assessment list completed, as herein provided, in the year A. D. 1905, and in each year thereafter, he shall cause to be published a full and complete list of such assessment by township or assessment district, which publication shall be made on or before July 10th of each year. When the board of review shall have acted upon the assessment list of real property, as herein provided, in the year A. D. 1907 and every four years thereafter, such board of review shall cause to be published a full and complete list of such assessment on real property by township or assessment districts, together with all changes made by the board of review under the authority of this act, such changes to be indicated in a separate column. The publications herein provided for shall be made in some public newspaper in said county: *Provided,* that in every township or assessment district in which there is published one or more newspapers of general circulation, the list of such township or assessment district shall be published in one of said newspapers so published in said township or assessment district: *And, provided,* that said newspapers shall not receive for the publishing of said assessment list more than three (3) cents per name for each person or corporation or piece of real estate so assessed; and if it be found impossible to secure publication at that price, the publication shall be let to the lowest bidder at a price not to exceed five (5) cents per tract; and the publisher of such paper shall furnish to the county assessor, the county supervisor of assessments and the board of review as many copies of said

paper containing the assessment list as they may require, at a cost not exceeding five (5) cents per copy: *Provided, further*, that in each year, except the year of the quadrennial assessment, publication shall only be made of the assessment of personal property; but the real estate assessment shall be published in full, as above provided, every year in which there shall be a general assessment: *Provided, further*, that in counties of 125,000 inhabitants or over, the assessors and board of review shall publish the assessment lists in pamphlet form by election districts in lieu of publication in a newspaper: *And, provided*, that the assessors and board of review shall cause to be mailed to each taxpayer in said election precinct a copy of the said list for his precinct: *And, provided, further*, that in case said assessment is not published in conformity with law, and was not mailed in accordance with the provisions of this act, the failure to so publish the same or mail the same shall not be considered as a valid objection to a judgment for tax sale in the county court. The expense of such printing and publication shall be paid out of the county treasury.

§ 35. The board of review shall, in any year, whether the year of the quadrennial assessment or not:

First. Assess all property subject to assessment which shall not have been assessed by the assessors; and the board may make such alterations in the description of real or personal property as it shall deem necessary.

Second. On complaint in writing that any property described in such complaint is incorrectly assessed, the board shall review the assessment, and correct the same, as shall appear to be just. Such complaint to affect the assessment for the current year shall be filed on or before the first day of August: *Provided*, That if the assessment books containing the assessment complained of are not filed with the board of review by the twentieth day of July, then such complaint shall be filed on or before ten days thereafter. The board may also, of its own motion, at any time before its revision of the assessments is completed in every year, increase, reduce or otherwise adjust the assessment of any individual or corporation, on real property or personalty, making changes in the valuations thereof as may be just, and shall have full power over the assessment of any individual or corporation, and may do anything in regard thereto that it may deem necessary to make a just assessment; but no assessment shall be increased until the person or corporation to be affected shall have been notified, and given an opportunity to be heard, except as hereinafter provided; and before making any reduction in assessments of its own motion the board of review shall give notice to the board of assessors which certified the assessment, and give such assessors an opportunity to be heard thereon. All complaints of errors in assessments, real or personal, shall be in writing, and shall be filed by the complaining party with said board of review, in duplicate, and the duplicate shall be forthwith filed by the board of review with the board of assessors certifying such assessment. Complaints relating to real estate shall be classified by towns by the clerk of said board of review, and complaints relating to personal property shall be classified in

such manner as the board of review shall determine, by order for that purpose, duly entered of record; all classes of complaints to be docketed numerically, each in its own class, in the order in which they shall be presented, as near as may be, in books kept for that purpose, which books shall always be open to public inspection. Complaints relating to real estate shall be considered by towns, and complaints relating to personal property shall be heard in their order by classes, in pursuance of the order of the board heretofore mentioned, until all complaints have been heard and passed upon by the board.

In counties of 125,000 inhabitants or over, in each year, the assessment list of real estate, as made by the board of assessors, shall be prepared in triplicate, and the three complete lists shall be certified by the assessors to the board of review when the assessment required by law is completed by them. In revising assessments in any year the board of review shall note all changes it shall make in the valuations of real estate on all of said assessment lists, and shall duly make return of one complete list to the county clerk, as required by law, and one to the board of assessors and retain the other. On the books so retained it shall note all changes made by it in the valuations of property after that date, upon the hearings provided for in this act. And in making its annual return each year to the county clerk, and to the assessor, as herein provided, it shall enter therein all such changes.

In other counties the assessment list of real estate as made by the board of assessors or supervisor of assessments, shall be delivered, when complete, to the board of review; and after the revision thereof has been completed by the board of review, and changes noted thereon, the same shall be duly returned to the county clerk, as required by law.

After making its annual return of the revised assessment to the board of review, as required by law, the board of assessors in counties of 125,000 inhabitants, or over, shall have the power, in any year, except the last year preceding each quadrennial assessment, to consider and correct the valuations of real property for the next succeeding annual assessment, in the same manner, upon complaints filed from time to time, and upon complaint filed shall proceed to do so; and such changes as it shall make in any such valuations shall be noted upon the assessment list remaining in its custody, and include the same in its annual return to the county clerk and the board of review. All such changes to be reviewed by the board of review each year as in cases of any assessments.

For the purpose of hearing and determining complaints of errors in the valuation of real property for the next succeeding assessment thereof and correcting the valuations of any such property as shall be just, after its annual return has been made, as herein provided, the board of review shall, on the first Tuesday of November and the first Tuesday of each month thereafter until and including the first Tuesday of March in each year (except the year last preceding the quadrennial assessment) and at such other times as it may be necessary, hold public sessions at its board rooms, and continue such sessions

from day to day until all complaints and other business have been disposed of. Complaints passed or undisposed of at any session shall be first considered at the next succeeding monthly session and past complaints shall be disposed of at each session before later complaints shall be considered. Upon any hearing of a complaint, or on a proposal for any increase originating with said board, where notice is required as herein provided, the said board shall sit together, and hear the representations of the parties interested, or their representatives, and no change shall be made in any assessment of real property unless at least a majority of said board shall concur therein; and in such case an order therefor shall be made in open session, and entered of record on the books of the board: *Provided*, that in counties of less than 125,000 inhabitants monthly sessions of the board of review shall not be required.

Third. Increase or reduce the entire assessment of either real or personal property, or both, or of any class included therein, if in their opinion the assessment has not been made upon the proper basis, or equalize the assessment of real or personal property by increasing or reducing the amount thereof, in any township, or part thereof, or any portion of the county, as may, in their opinion, be just, but the assessment of any class of property, or of any township, or part thereof, or any portion of the county, shall not be increased until the board shall have notified not less than fifty of the owners of property in such township, or part thereof, or portion of the county of such proposed increase, and given them, or any one representing them, or other citizens of said territory, an opportunity to be heard. The board of assessors shall have like notice of any proposed increase or reduction, with an opportunity to be heard thereon, except where such action is taken in individual cases upon complaint. The board shall hear any person, upon request, in opposition to a proposed reduction in the assessment of any person, corporation or territory.

Fourth. Hear and determine the application of any person who is assessed on property claimed to be exempt from taxation. If the board shall determine that any such property is not liable to taxation and the question as to the liability of such property to taxation has not previously been judicially determined, the decision of said board shall not be final unless approved by the Auditor of Public Accounts; and it shall be the duty of the clerk of the board in all such cases, under the direction of the board, to make out and forward to the Auditor a full and complete statement of all the facts in the case. If the Auditor is satisfied that such property is not legally liable to taxation he shall notify the board of review of his approval of its decision, and the board shall correct the assessment accordingly. But if the Auditor is satisfied that such property is liable to taxation, he shall advise the board of his objection to its decision, and give notice to said board that he will apply to the Supreme Court, specifying to what term thereof, for an order to set aside and annul the decision of the board of review. Upon receipt of such notice the clerk shall notify the person making the application aforesaid. It shall be the duty of the Auditor to then file in the Supreme Court a certified statement of the facts certified by the clerk as aforesaid, together with his objections thereto, and

the court shall hear and determine the matter as the right of the case may be. If the board of review shall decide that property so claimed to be exempt is liable to be taxed, and the party aggrieved at the time shall pray an appeal, a brief statement of the facts in the case shall be made by the clerk, under the direction of the board, and transmitted to the Auditor, who shall present the case to the Supreme Court in like manner as hereinbefore provided. In either case the collection of the tax shall not be delayed thereby, but in case the property is decided to be exempt the tax shall be abated and refunded.

Fifth. They shall, at any time before judgment, if an error or mistake is discovered (other than errors of judgment as to the valuation of any real or personal property), in an assessment of any real or personal property belonging to any person or corporation, issue a certificate setting forth the nature of such error, and the cause or causes which operated to produce such error or mistake to the person or corporation erroneously assessed, which said certificate, when properly endorsed by the board of assessors, showing their concurrence therein, and not otherwise, may be used in evidence in any court of competent jurisdiction, and when so introduced in evidence such certificate shall become a part of the court records, and shall not be removed from the files except upon the order of the court.

The term "quadrennial assessment" as used in this act shall be taken to mean the general assessment of real estate and improvements required by law to be made once in four years.

§ 43. When the books are so completed the board of review shall deliver one set of the books containing the assessment of real property and the books containing the assessment of personal property to the county clerk, who shall file the same in his office; one set of the books containing the assessment of real property shall be returned to the board of assessors, or supervisor of assessments; and when triplicate sets of books are required by this act, the remaining set of books containing such assessment shall remain in the office of the board of review. All such books shall be public records and open to the inspection of all persons. The assessment so completed by the board of review and certified to the county clerk and as equalized as provided by law, shall be the assessment upon which the taxes of that year shall be extended by the county clerk.

Approved March 29, 1905.

§ 2. Prescribes the manner of extending and levying taxes—tax rate for county purposes.

AN ACT to amend section 2 of an act entitled, "An act concerning the levy and extension of taxes," approved May 9, 1901, in force July 1, 1901.

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That section 2 of an act en-

titled, "An act concerning the levy and extension of taxes," approved May 9, 1901, in force July 1, 1901, be and the same hereby is amended to read as follows:

§ 2. The county clerk in each county shall ascertain the rates per cent required to be extended upon the assessed valuation of the taxable property in the respective towns, townships, districts, incorporated cities and villages in his county, as equalized by the State Board of Equalization for the current year, to produce the several amounts certified for extension by the taxing authorities in said county (as the same shall have been reduced as hereinbefore provided in all cases where the original amounts exceed the amount authorized by law): *Provided, however*, that if the aggregate of all the taxes (exclusive of State taxes, village taxes, levee taxes, school building taxes, district school taxes, high school taxes and all other school taxes, road and bridge taxes, and also bonded indebtedness taxes in cities whose bonded indebtedness exceeds ten per cent of the assessed valuation of the property therein upon which, under existing laws, taxes are required to be extended, and taxes levied pursuant to the mandate or judgment of any court of record on any bonded indebtedness), certified to be extended against any property in any part of any taxing district or municipality, shall exceed five per cent of the assessed valuation thereof upon which the taxes are required to be extended, the rate per cent of the tax levy of such taxing district or municipality shall be reduced as follows: The county clerk shall reduce the rate per cent of the tax levy of such taxing district or municipality in the same proportion in which it would be necessary to reduce the highest aggregate per cent of all the tax levies (exclusive of State taxes, village taxes, levee taxes, and all other school taxes, road and bridge taxes, and also bonded indebtedness taxes in cities whose bonded indebtedness exceeds ten per cent of the assessed valuation of the property therein upon which, under existing laws, taxes are required to be extended, and taxes levied pursuant to the mandate or judgment of any court of record on any bonded indebtedness), certified for extension upon any of the taxable property in said taxing district or municipality, to bring the same down to five per cent of the assessed value of said taxable property upon which said taxes are required by law to be extended: *Provided further*, that in reducing tax levies hereunder the rate per cent of the tax levy for county purposes shall not be reduced below a rate of sixty-five cents on each one hundred dollars assessed value and the rate per cent of the tax levy for city purposes, exclusive of library, school and park purposes, shall not be reduced below a rate of one dollar and eighty cents on each one hundred dollars assessed value, but the other tax levies which are subject to reduction under this section shall be subject only to such reduction, respectively, as would be made therein under this section if this proviso were not inserted herein: *And, provided, further*, in reducing tax levies hereunder all school taxes levied in cities exceeding 100,000 inhabitants, with the exception of the levy for school building purposes, shall be included in the taxes to be reduced.

The rate per cent of the tax levy of every county, city, town, township, school district, park district, sanitary district, road district, and other public authorities (except the State), shall be ascertained and determined (and reduced when necessary as above provided), in the manner hereinbefore specified, and shall then be extended by the county clerk upon the assessed value of the property subject thereto as equalized according to law. In reducing the rate per cent of any tax levy, as hereinbefore provided, the rates per cent of all tax levies certified to the county clerk for extension as originally ascertained and determined under section one of this act shall be used in ascertaining the aggregate of all taxes certified to be extended, without regard to any reductions made therein under this section: *Provided*, that no reduction of any tax levy made hereunder shall diminish any amount appropriated by corporate or taxing authorities for the payment of the principal or interest on bonded debt, or levied pursuant to the mandate or judgment of any court of record. And to that end every such taxing body shall certify to the county clerk with its tax levy, the amount thereof required for any such purposes.

In case of a reduction hereunder any taxing body whose levy is affected thereby and whose appropriations are required by law to be itemized, may after the same has been ascertained, distribute the amount of such reduction among the items of its appropriations, with the exceptions aforesaid, as it may elect. If no such election be made within three months after the extension of such tax, all such items, except as above specified, shall be deemed to be reduced *pro rata*.

AN ACT to regulate the sale and analysis of concentrated feeding stuffs.

SECTION 1. *Be it enacted by the People of the State of Illinois represented in [the] General Assembly:* Every lot or parcel of concentrated commercial feed stuffs, as defined in section two of this act, used for feeding farm live stock, sold, or offered or exposed for sale within this State, shall have affixed thereto, in a conspicuous place on the outside thereof, a plainly printed statement, clearly and

truly certifying the name, brand or trade-mark, under which the article is sold for feeding purposes, the name and address of the manufacturer, importer or dealer, the net weight of the package, and the minimum percentage of crude protein, reckoning one per cent of nitrogen equal to six and one-fourth per cent of protein, crude fiber, and crude fat which it contains; the several constituents to be determined by the methods adopted by the Association of Official Agricultural Chemists of the United States. If the feed stuff is sold in bulk, or if it is put up in packages belonging to the purchaser, the agent or the dealer shall, upon the request of the purchaser, furnish him with the certified statement described in this section.

§ 2. The term "concentrated commercial feed stuff," as used in this act, shall include cotton seed meals, linseed meals, pea meals, bean meals, peanut meals, cocoanut meals, gluten meals, gluten feeds, maize feeds, starch feeds, sugar feeds, succrene feeds, and all oil meals of all kinds, dried distillers' grains, dried brewers' grains, dried beef refuse, malt sprouts, malt refuse, hominy feeds, cereleine feeds, rice meals, oat feeds, corn and oat feeds, corn, oat and barley feeds, chop feeds, corn bran, ground beef or fish, scraps, meat and bone meals, mixed feeds—except as otherwise provided in section three of this act—clover and alfalfa meals, condimental stock and poultry foods, patented, proprietary or trade-marked stock and poultry foods, and all other materials of a similar nature not included in section three of this act.

§ 3. The term "concentrated commercial feed stuffs," as used in this act, shall not include hays and straws, the whole seeds nor the unmixed meals made directly from the entire grains of wheat, rye, barley, oats, Indian corn, buckwheat and broom corn. Neither shall it include wheat bran or wheat middlings not mixed with other substances but sold separately as distinct articles of commerce, nor wheat bran and wheat middlings mixed together, not mixed with any other substances, and known in the trade as "mixed feed," nor pure grains ground together unmixed with other substances.

§ 4. Any manufacturer, importer, agent or other person selling, offering or exposing for sale any concentrated feed stuffs included in section two of this act, without the printed statement required by section one of this act, or with a label stating that the said feed stuffs contains substantially a larger percentage of either crude protein or crude fat than is actually present therein, shall be fined fifty dollars (\$50) for the first offense and one hundred dollars (\$100) for each subsequent offense.

§ 5. The State Food Commissioner is hereby authorized, in person or by deputy, to enter any premises where feed stuffs are stored and to take a sample, not exceeding two pounds in weight, from any lot or package of any commercial feed stuff used for feeding any kind of farm live stock or poultry as defined in section two, or of excepted materials named in section three of this act, which may be in possession of any manufacturer, importer, agent or dealer. Any sample so taken shall be put in a suitable vessel and a label signed by the State Food Commissioner or his deputy, placed on or within the vessel,

stating the name or brand of the feed stuff or material sampled, the guaranty, the name of the manufacturer, importer or dealer, the name of the person, firm or corporation from whose stock the sample was taken, and the date and place of taking: *Provided, however,* that whenever a request to that effect is made the sample shall be taken in duplicate and carefully sealed in the presence of the person or persons in interest, or their representative, in which case one of the said duplicate samples shall be signed and retained by the person or persons whose stock was sampled. Any person who shall obstruct the State Food Commissioner or his deputy while in the discharge of his duty under this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be fined not less than twenty-five dollars (\$25) nor more than one hundred dollars (\$100) for each offense. The aforesaid State Food Commissioner shall cause at least one analysis of each feed stuff collected as herein provided to be made annually. Said analysis shall include the determinations of crude protein, of crude fat, of crude fibre, and of such other ingredients as it is deemed advisable at any time to determine. Said State Food Commissioner shall cause the results of the analysis of the sample to be furnished the agricultural experiment station from time to time, to be published in annual bulletins or special circulars, together with such additional information concerning the character, composition and use thereof as circumstances may require.

§ 6. Any person who shall adulterate any whole or ground grain with milling or manufacturing offals, or with any foreign substance whatever, or adulterate any bran or middlings or mixtures of wheat bran or wheat middlings known in the trade as "mixed feed," or any other standard by-product made from the several grains or seeds with any foreign substance whatever, for the purpose of sale, unless the true composition, mixture or adulteration thereof is plainly marked or indicated upon the package containing the same or in which it is offered for sale; and any person who knowingly sells or offers for sale any whole or ground grain, bran or middlings, or mixture of wheat bran and wheat middlings known in the trade as "mixed feed," or other standard by-product, which has been so adulterated, unless the true composition, mixture or adulteration is plainly marked or indicated upon the package [containing] the same or in which it is offered for sale, shall on conviction, be fined not less than twenty-five dollars (\$25) or more than one hundred dollars (\$100) for each offense, and such fines shall be paid into the treasury of the State.

§ 7. It shall be the duty of the State Food Commissioner to prosecute the person or persons violating any provisions of this act, and for this purpose the State Food Commissioner may, if necessary, employ experts, and may further designate some person connected with his office, or some other suitable person, to make complaints in his behalf; and in making complaints for violations of this act, the persons so designated shall not be required to enter into any recognizance or to give security for the payment of costs: *Provided, however,* that there shall be no prosecution in relation to the quality of

any unadulterated commercial feed stuff if the same shall be found to be substantially equivalent to the statement of analysis made by the manufacturers or importers.

§ 8. Each manufacturer, importer, agent or seller of any concentrated commercial feeding stuffs, shall pay annually, during the month of December, to the Treasurer of the State of Illinois, a license fee of twenty-five dollars (\$25) for each and every brand sold or offered for sale. Whenever a manufacturer, importer, agent or seller of concentrated commercial feeding stuffs desires at any time to sell such material and has not paid the license fee therefor in the preceding month of December, as required by this section, he shall pay the license fee prescribed herein before making any such sale. Said treasurer shall, in each case, at once certify to the State Food Commissioner the payment of such license fee. Each manufacturer, importer or person who has complied with the provisions of this article shall be entitled to receive a certificate from the State Food Commissioner, setting forth said facts. The license fees received by the State Treasurer pursuant to the provisions of this section shall constitute a special fund from which to defray the expenses incurred in making the inspections and the analyses required by this act, and enforcing the provisions thereof, and he shall report annually the amount received and the expense incurred for salaries, laboratory expenses, chemical supplies, traveling expenses, printing and other necessary matters. Whenever the manufacturer, importer or shipper of concentrated commercial feeding stuffs shall have filed the statement required by section one of this act, and paid the license fee, as prescribed in this section, no agent or seller of such manufacturer, importer or shipper, shall be required to file such statement or pay such fee.

§ 9. This act shall not affect persons manufacturing, importing or purchasing feed stuffs for their own use and not to sell in this State.

§ 10. The term "importer," for all the purposes of this act, shall be taken to include all who procure or sell concentrated commercial feed stuffs.

§ 11. When the rendition of the judgment imposes a fine, as provided in any of the sections of this act, it shall be the duty of the justice of the peace or other court rendering such judgment, also to render a judgment for costs, and such justice of the peace or other court shall forthwith issue a capias or warrant of commitment against the body of the defendant, commanding that unless the said fine and costs be forthwith paid, the defendant shall be committed to the jail of the county, and the constable or other officer to whose hands said capias or warrant shall come, shall, in default of such payment, arrest the defendant and commit him to the jail of the county, there to remain, as provided by section 171 of "An act to revise the law in relation to criminal jurisprudence," in force July 1, 1895, unless such fine and costs shall sooner be paid.

§ 12. All acts and parts of acts inconsistent with this act be and they are hereby repealed.

INDUSTRIAL INSURANCE.

WHEREAS The limited time at the disposal of the present session of the General Assembly is insufficient to take up, much less carefully and fully consider, the important subject of industrial insurance including pensions for aged [aged] workers protective measures in the interest of workmen, which in other countries have proved of great value and benefit: and.

WHEREAS, Men [even] in the most favored countries the margin between work and want is an exceedingly narrow one, besides there can be no apprehension more keen or pitiless than the constant clinging dread shared equally by all wealth producers that misfortune in the form of sickness, the liability to become incapacitated through accident or by time's inevitable advance accompanied by waning strength, there will be lacking the means necessary for ordinary maintenance. This most melancholy fact, of which all are conscious, poisons the present and fills the future with tears [fears]. The so-called civilized industrialism of our day can be subject to no stronger criticism than the charge fortified by universal experience, that the men and women whose productive energy have contributed so much to our wealth, progress and development, leading simple, unexpensive lives become in their declining years powerless, principally because they are penniless; and,

WHEREAS, It ought to be the duty of the law-making power of the State to prevent so far as legislative aid and encouragement can modify this deplorable state of affairs; therefore, be it

Resolved, by the House of Representatives, the Senate concurring herein, That the Governor is hereby authorized and requested to appoint a commission consisting of five representative men who shall serve without remuneration and whose duties shall be to thoroughly investigate and report to the Governor the draft of a bill providing a plan for industrial insurance and workmen's old age pensions for consideration and action by the members of the 45th General Assembly.

LINCOLN MONUMENT AT WASHINGTON, D. C.

WHEREAS, Abraham Lincoln, illustrious son of Illinois and sixteenth president of the United States, stands pre-eminent among the great men of the world's history, born in obscurity, bearing the burden of poverty, with no opportunities except those of his own making, he rose to the most exalted heights. His life, from rail splitter to president, splendidly exemplified the possibilities of American citizenship. His gentle, generous nature, his unpretentious honesty, his over-mastering sense of justice, are parts of a character that constitute one of the finest legacies of mankind. He led his country through its darkest hour; he lived to see the union "one and inseparable," and today the south vies with the north in reverence to his memory. He died a martyr to the cause of human liberty, leaving a name that must be forever an unfailing star of hope to the oppressed of every land;

WHEREAS, It is the custom of all nations to honor their distinguished dead by appropriate and enduring moments; and,

WHEREAS, The capital of this nation possesses no memorial to this most illustrious man; therefore, be it

Resolved, by the Senate, the House of Representatives concurring herein, That this General Assembly favors the erection by the government of the United States, at Washington, D. C., of a monument to Abraham Lincoln—one that shall be commensurate with the grandeur of the man—one that shall rank among the great monuments of the world, standing as long as this government shall endure as a memorial in honor of the man who gave his life that "government of the people, by the people, for the people, might not perish from the earth."

Resolved, further, that for this purpose we hereby instruct our senators and request our representatives in congress to use all honorable means to secure an appropriation by the Congress of the United States of three million dollars.

Resolved, by the Senate, the House of Representatives concurring, That we request the Senators and Representatives in Congress from the State of Illinois to approve of and support the request and petition of the Upper Mississippi River Improvement Association now pending before Congress, for the improvement.

MISSISSIPPI RIVER IMPROVEMENT.

WHEREAS, The improvement of the Mississippi river is of great importance to the State of Illinois, as well as other states bordering on its shores and our country at large; and.

1. WHEREAS, The making of a deep water channel would materially improve the navigation of such river; and.

2. WHEREAS, At various points along said river, there are places where it is necessary to make such deep channels, or build channels, in order to carry on navigation at certain times of the year and certain stages of the water, in order to successfully pass the rapids in said river at certain points within the territory of Illinois and Iowa; and.

3. WHEREAS, There is at this time great need of the betterment of the navigation of the Des Moines rapids which are in the Mississippi river from Hamilton, Illinois, and Keokuk, Iowa, north to Fort Madison, Iowa, and Niota, Illinois; and.

4. WHEREAS, There is now pending before Congress a bill in relation to the erection of a dam across the Mississippi river at or near the foot of the Des Moines rapids and the building of a proper lock to facilitate the proper navigation of such river under the supervision and direction of the United States Government, which measure is now pending before the committee on inter-state and foreign commerce, for examination and discussion; and.

5. WHEREAS, The accomplishment of a deep water channel at such point would materially aid in the navigation of such river and thereby benefit all the citizens of this country and especially the citizens of the states bordering on such river.

THEREFORE, In view of the general utility and great importance of such a measure to Illinois and other adjoining states, as well as our country at large; be it

Resolved, by the Senate of the State of Illinois, the House of Representatives concurring. That we approve of all measures to promote the improvement of the Mississippi river and the navigation of the same, and to that end, commend to the favorable consideration of Congress, the measure under consideration and now before its committee on inter-state and foreign commerce.

Resolved, That a copy of this resolution be sent by the Secretary of State to the senators and members of Congress from Illinois, and also a copy be furnished to the members of the committee on inter-state and foreign commerce.
